WHERE DO SONGS
COME FROM?

DO THEY EXIST BEFORE WE HEAR
THEM? BEFORE A MUSICIAN BRINGS
THEM, NOTE BY NOTE, FROM THE
IMAGINED INTO THE REAL?

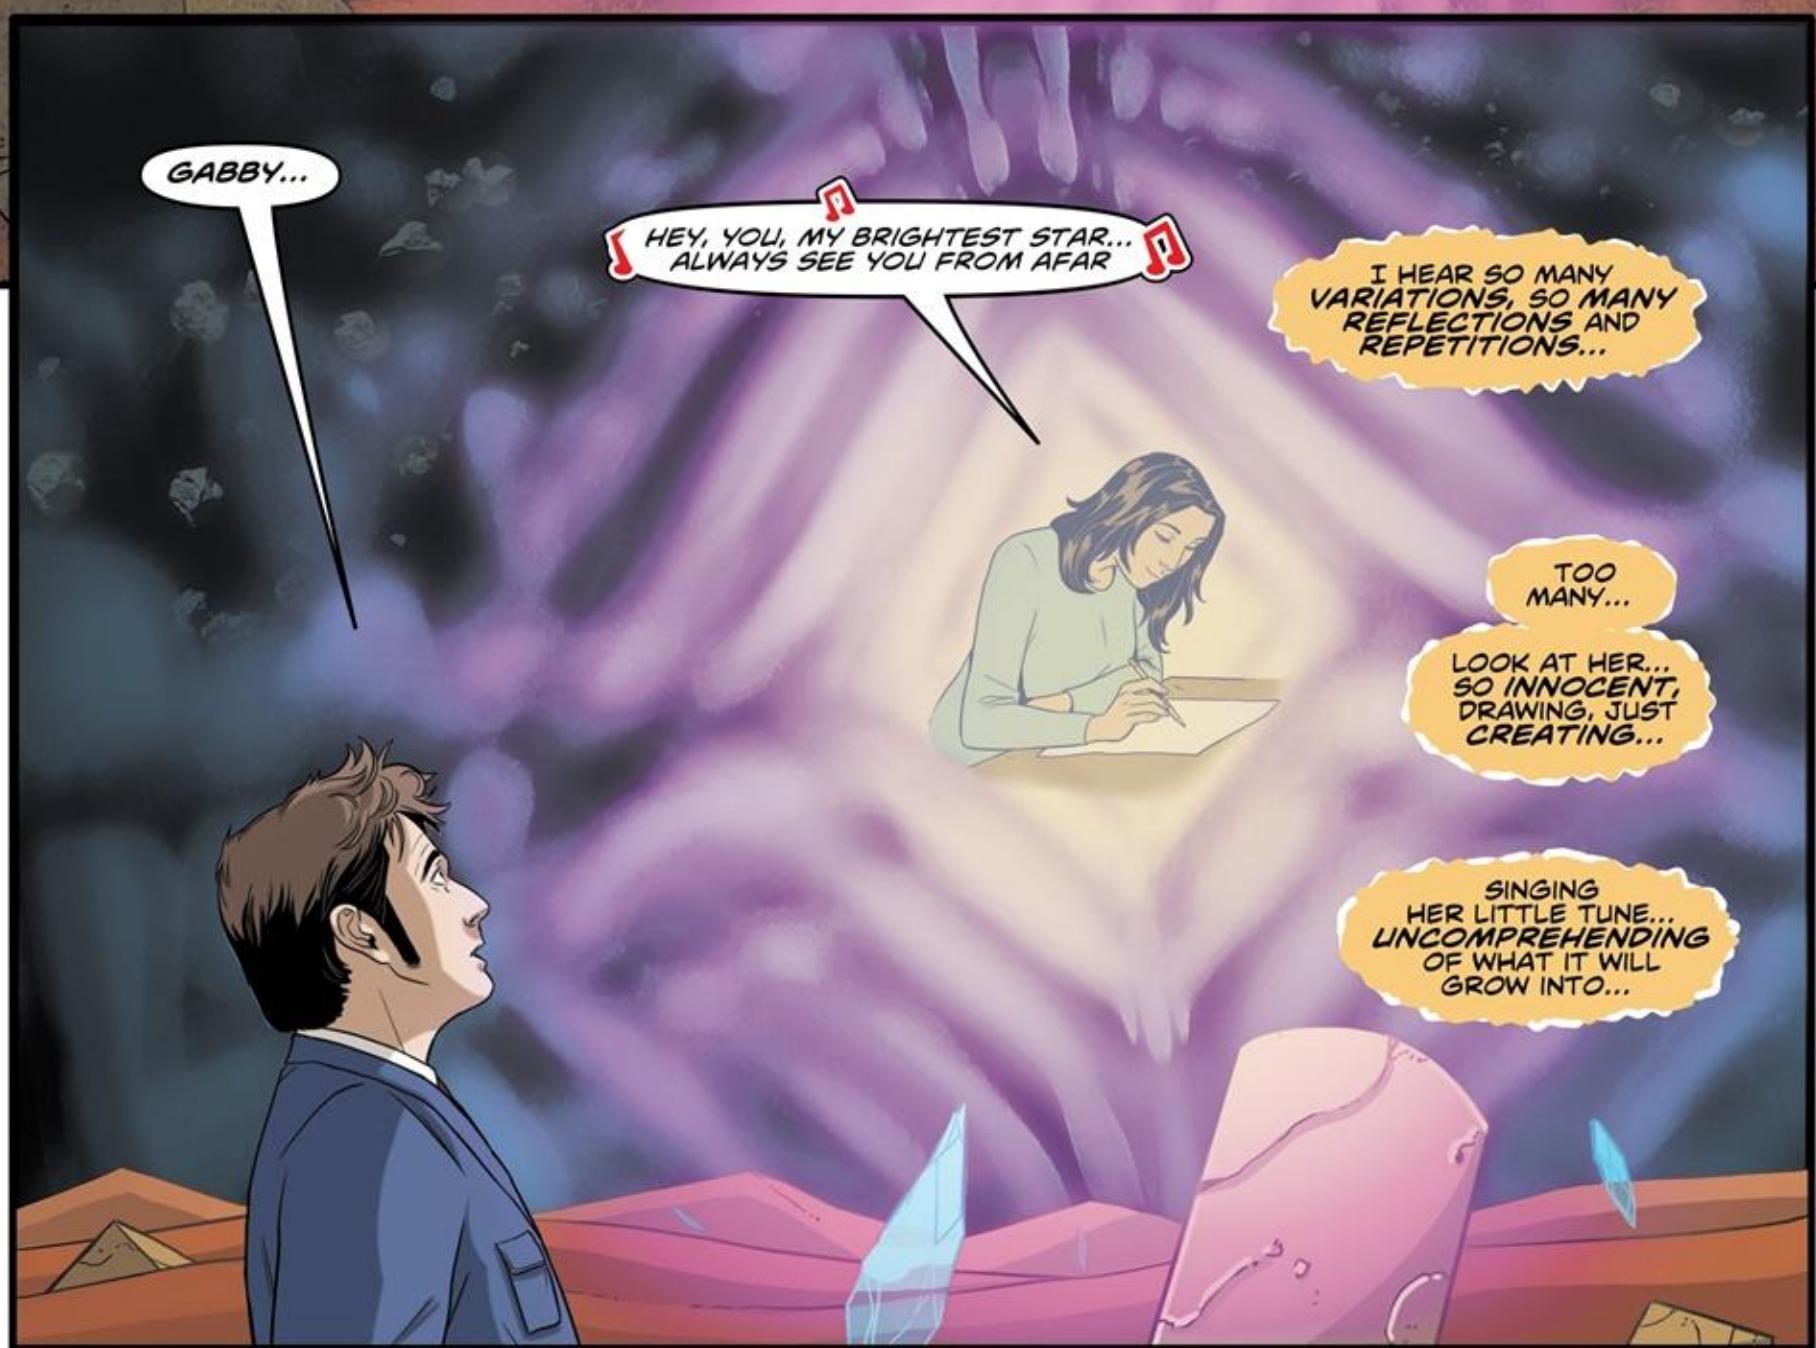

ARE THEY REMEMBERED
FROM SOMEWHERE,
SOME INNER, FURTHEST
DISTANT SHORE...

OR DO THEY ONLY
BECOME REAL WHEN
THEY'RE FIRST
PERFORMED,
FIRST HEARD...?

A GOOD SONG, ONCE
IT'S SUNG, NO LONGER
BELONGS ONLY TO THE
SONGWRITER...

ONCE IT'S SHARED,
IT SPREADS,
EARTHING ITSELF IN
THE EARS, HEARTS, AND
MEMORIES OF ALL
WHO HEAR IT.

AND IT MEANS
SOMETHING SLIGHTLY
DIFFERENT TO EVERY
ONE OF THEM.

YOU LIT UP THE NIGHT SKIES...
YOU OPENED UP MY EYES...
MY BRIGHT STAR, BRIGHT STAR...

THIS HAPPENED
ON GABBY'S FIRST
TRIP IN THE TARDIS.
REMEMBER...?

YOU TOOK
HER TO SEE YOUR
FRIEND ZHE, ONE
OF THE GREATEST
ARTISTS OF THE
HUMANIAN
ERA...

RIGHT AWAY,
ZHE'S APPRENTICE
INFECTED HER WITH
THE ORGANIC BLOCK
TRANSFER
MATRIX...

LATER,
THE SEEKER
INFUSED BOTH OF
YOU WITH SOME
OSIRAN MEDICAL
NANOBOTS.

THESE WERE
PURGED BY YOUR
OWN GALLIFREYAN
METABOLISM, BUT NOT
BY GABBY'S...

THEY MUTATED...
FUSED WITH HER BLOCK
TRANSFER ABILITIES,
WHICH ARE USED TO GROW
TARDISES ON GALLIFREY,
AREN'T THEY...?

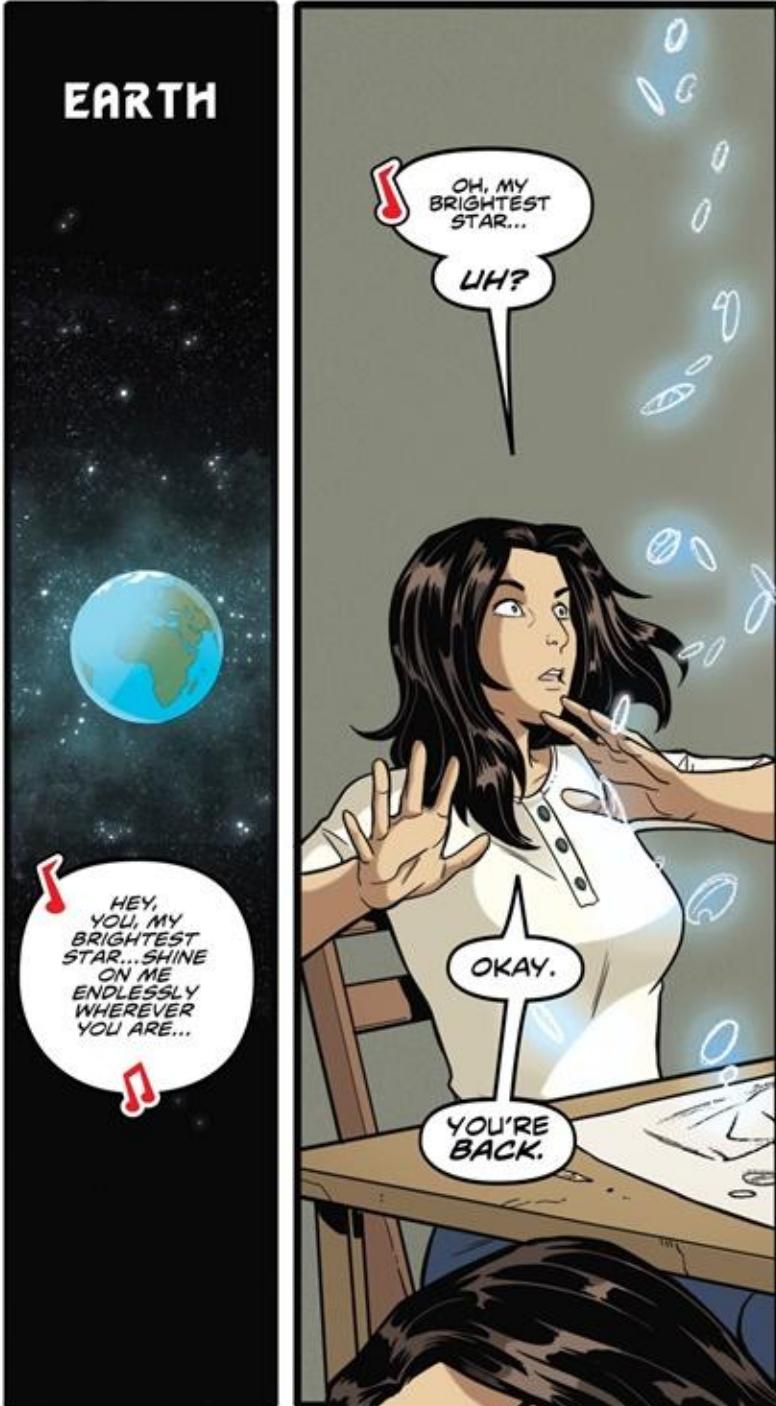

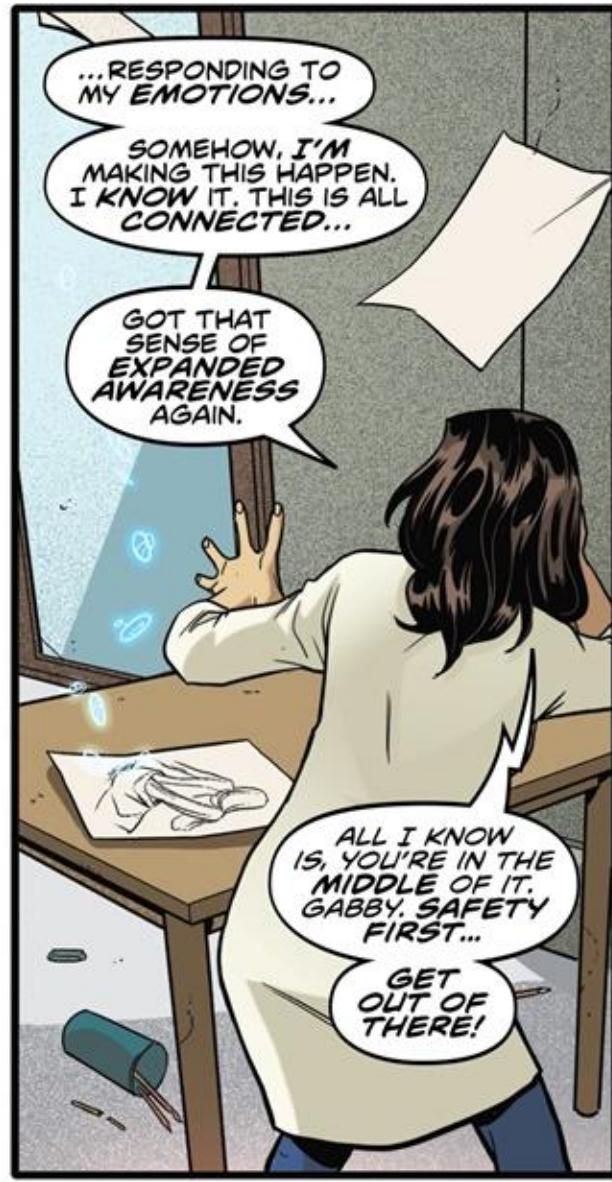

BATHED IN THE
BENIGN CHRONON
RADIATION OF THE
TARDIS, SHE FORMED
A SENSITIVITY, A
RECEPTIVE LINK
WITH THE SHIP'S
OWN ARTRON FIELD...

GABBY
EVOLVED...

EARTH

SOME OF IT
FROM FORAGING,
YES, BACKWARDS AND
FORWARDS ACROSS
THE VORTEX, LIKE
THE TARDIS...

LOTS FROM
BLOCK TRANSFER
EXPERIMENTATION...

WISHING IT,
SINGING IT,
BRINGING IT,
WEAVING IT...

IT'S ALL
BITS, AND I
PUT THEM
TOGETHER.

I MISS NOOBIS,
I MISS DOROTHY,
ZHE, CLEO...
I MISS...

I MISS
MY MOM, MY
DAD...

I'VE BEEN SO
LONELY. I MISS
ALL THE...

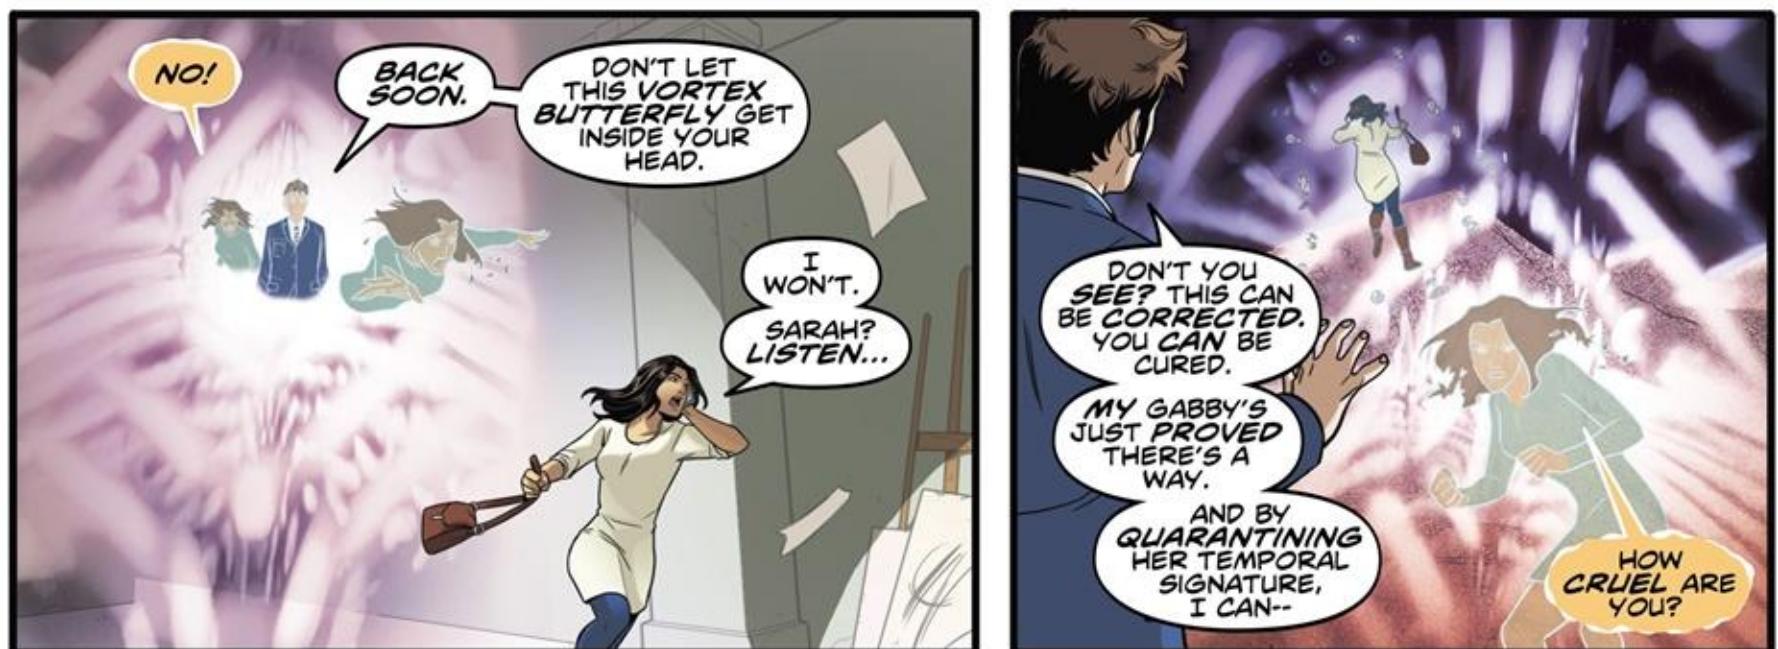

I MISS YOU.
SO MUCH.

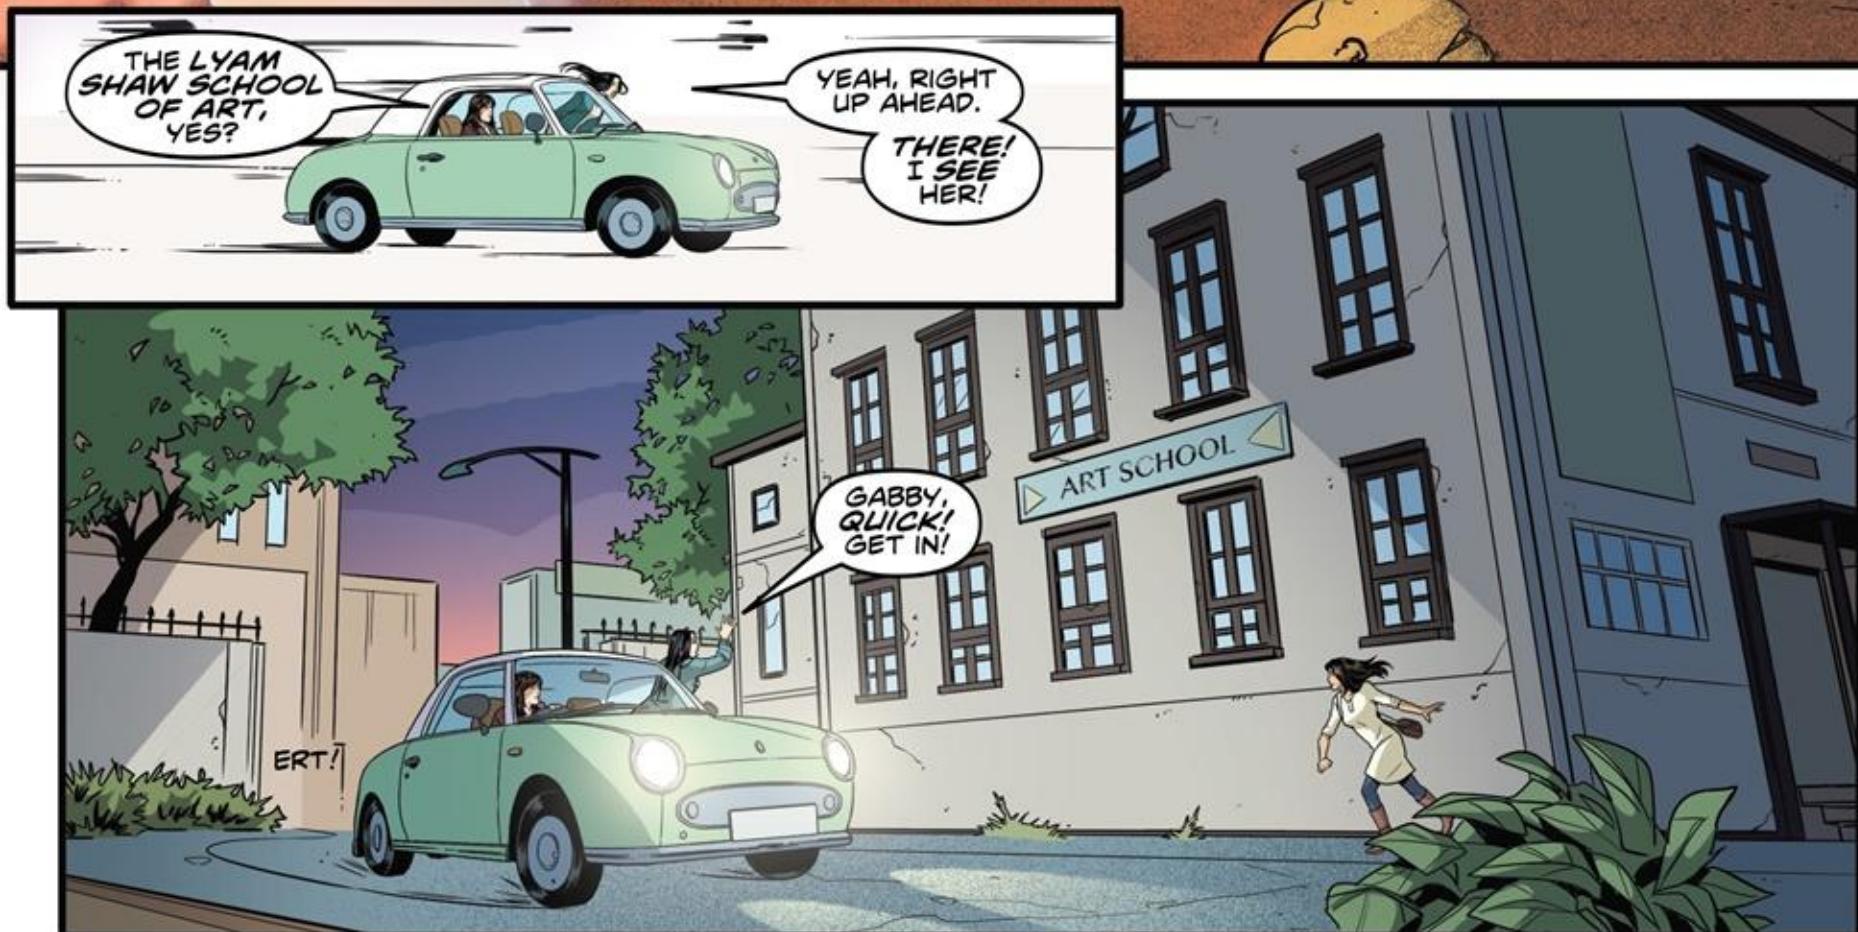

STOP IT.
STOP.

WE'LL
CHANGE
THIS.

WE CAN
CHANGE
THIS!

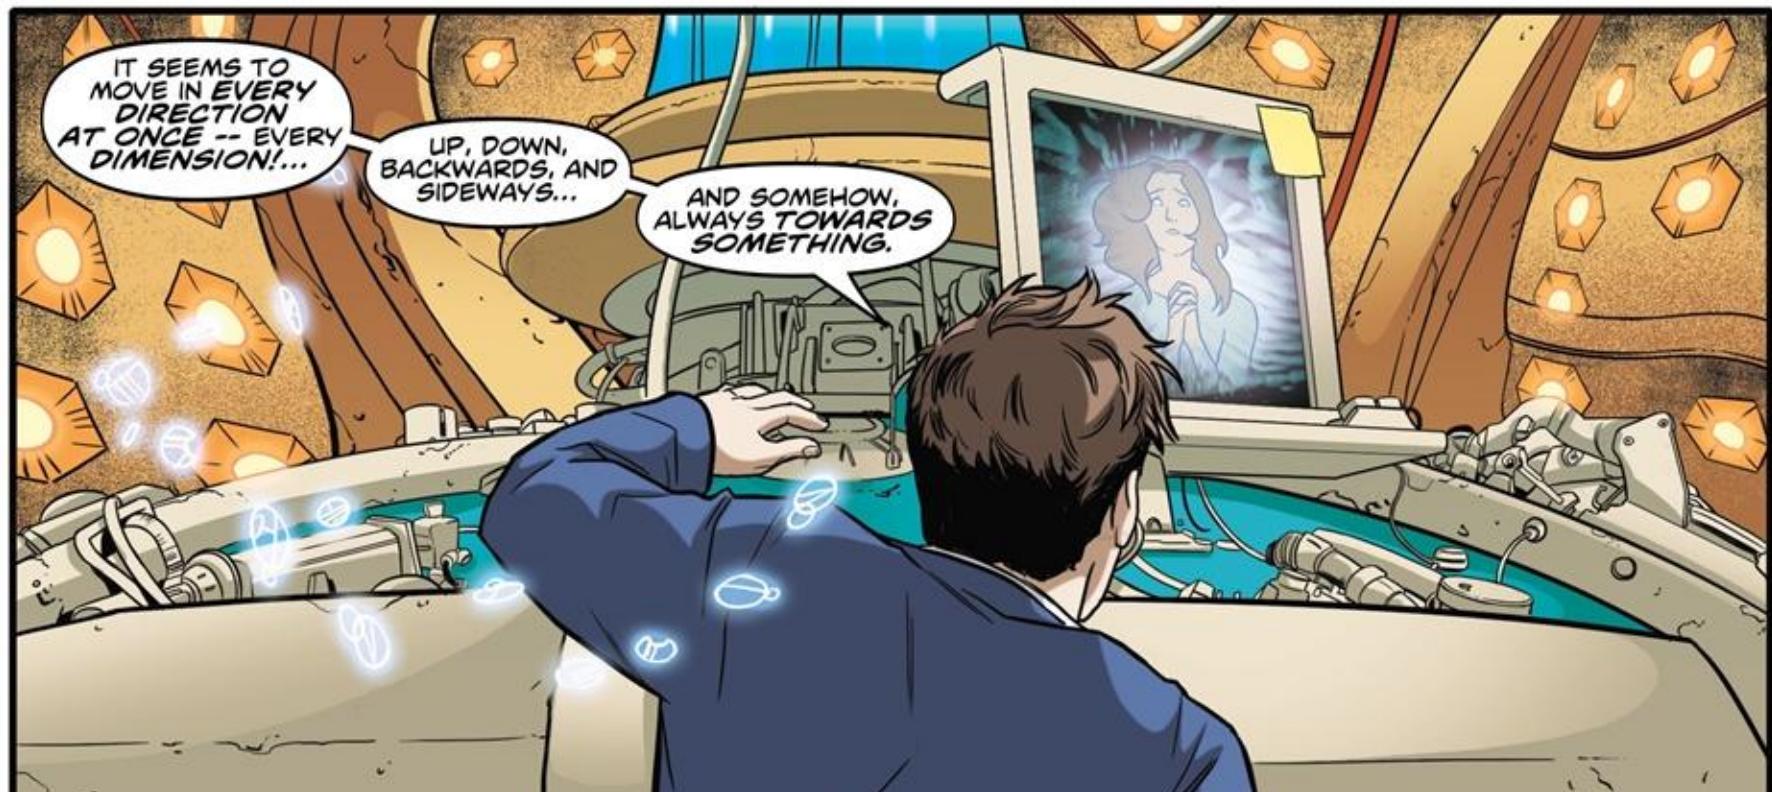

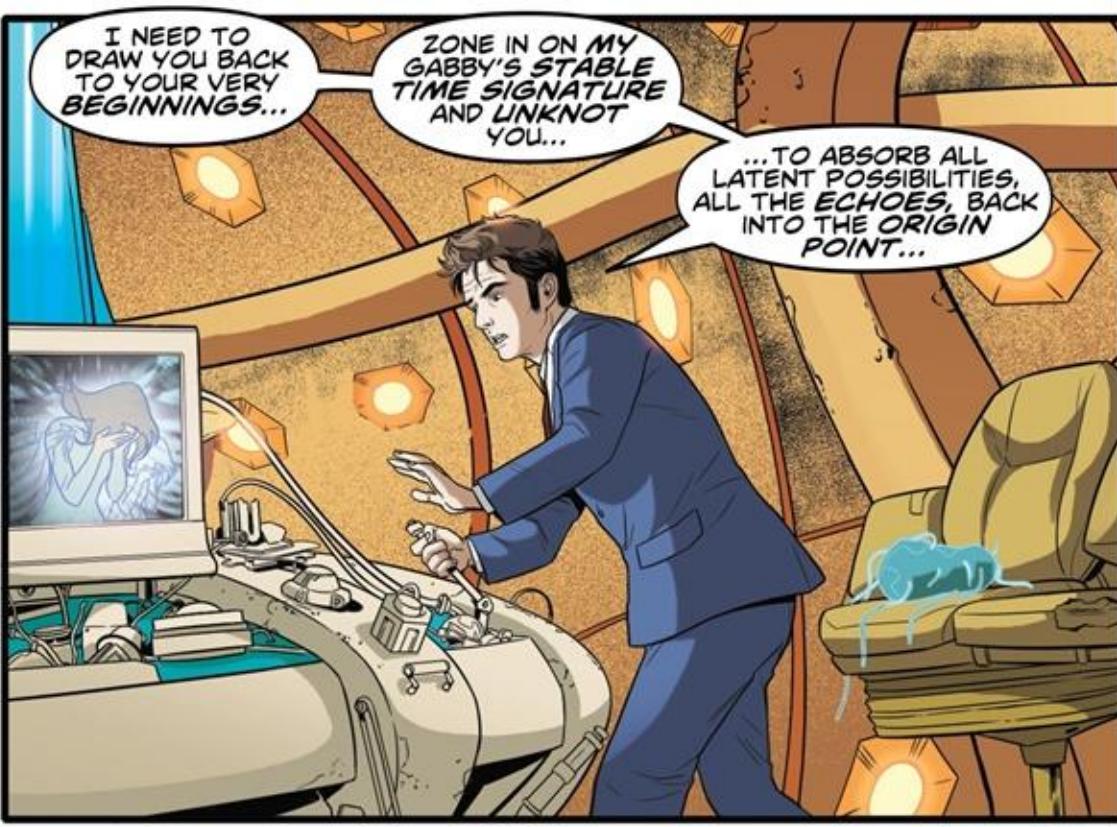

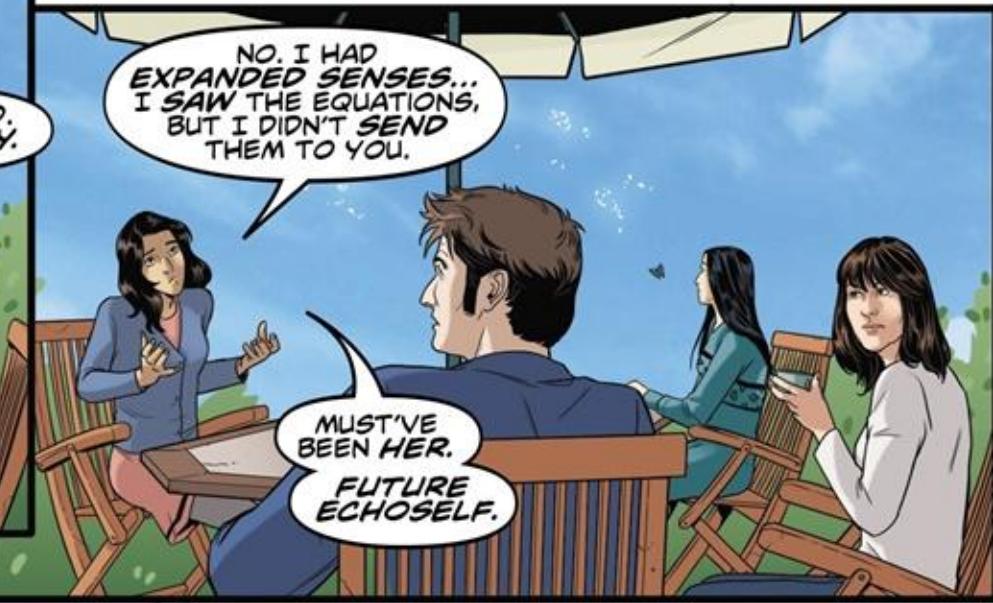

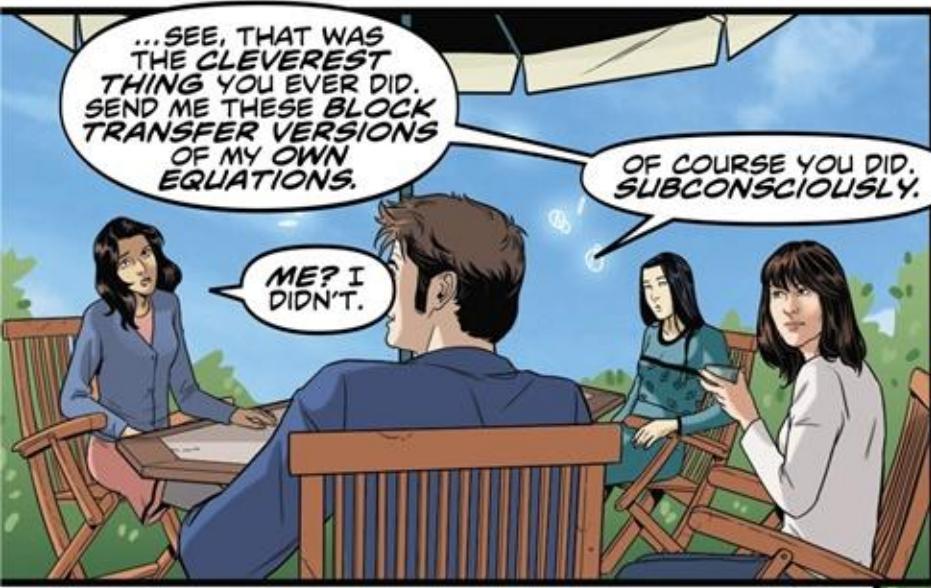

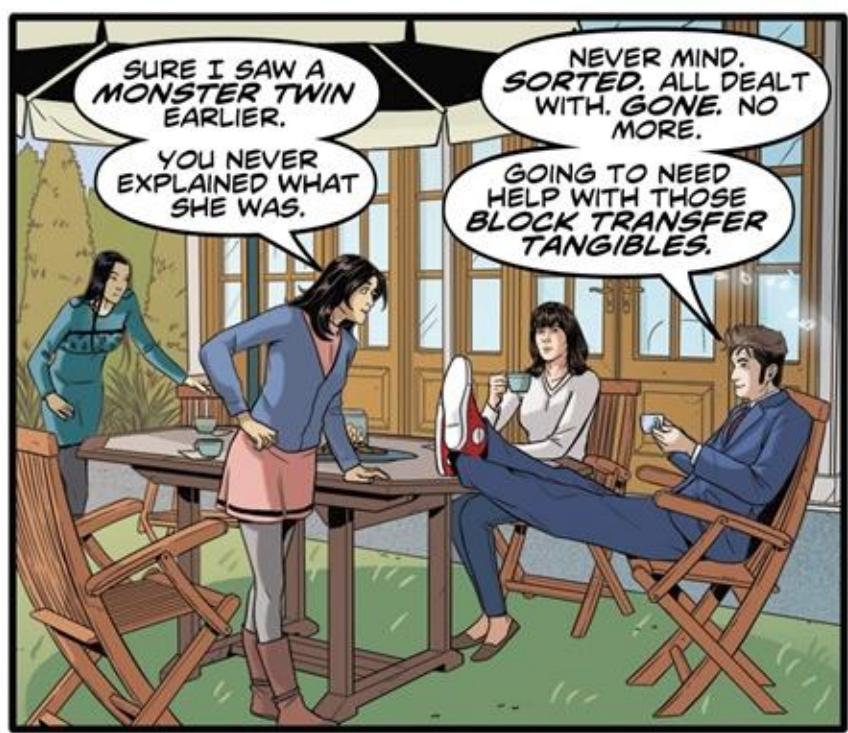

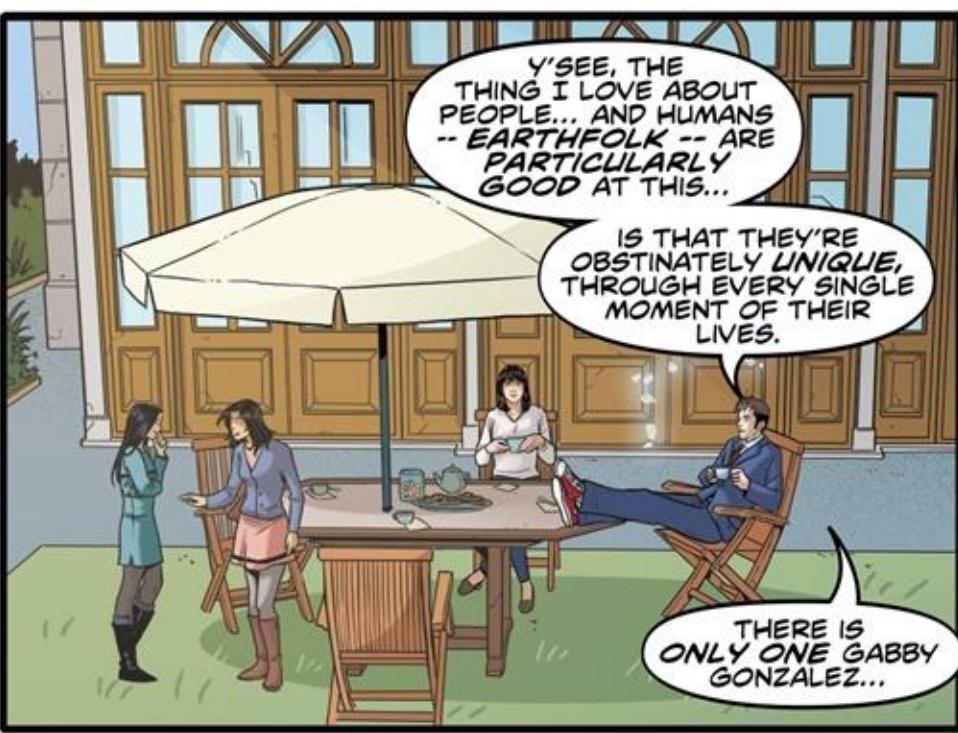

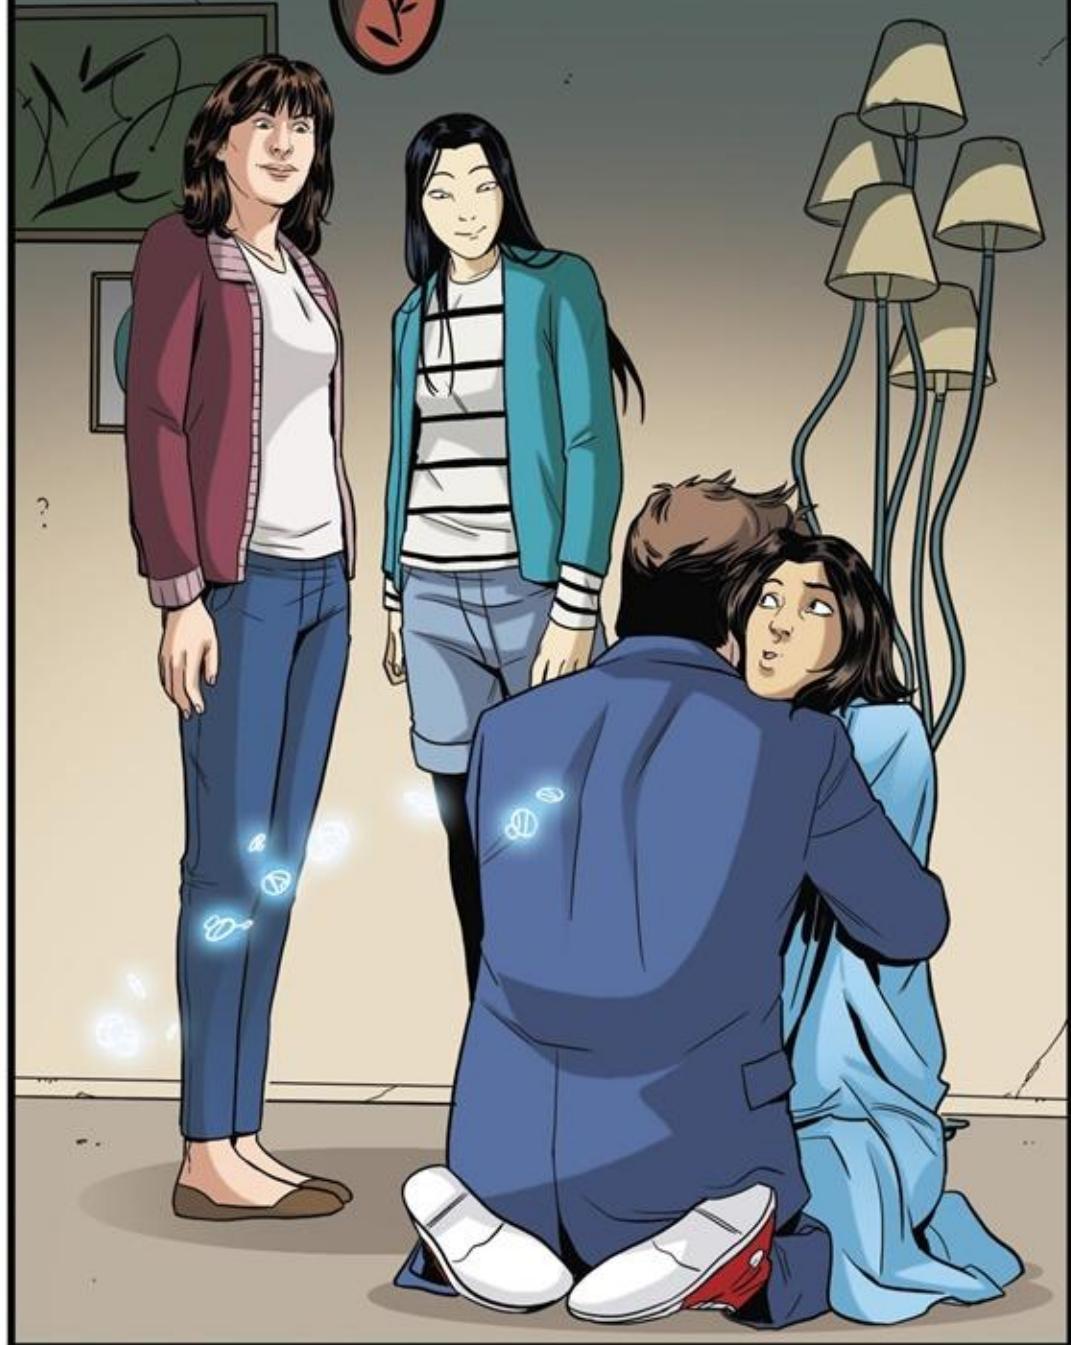

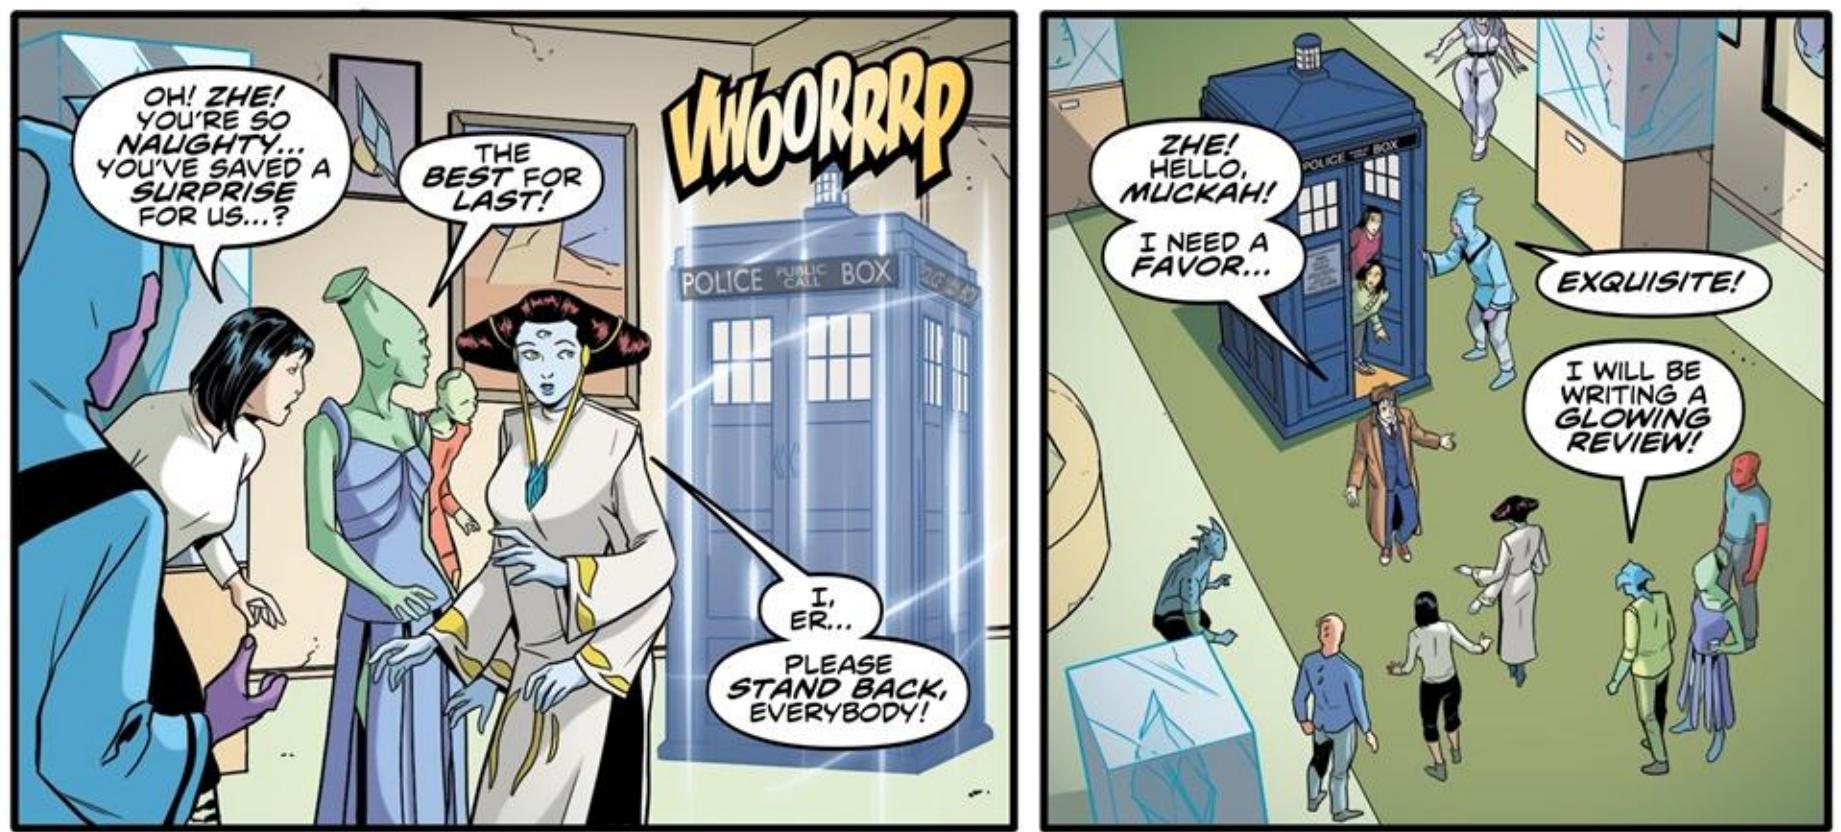

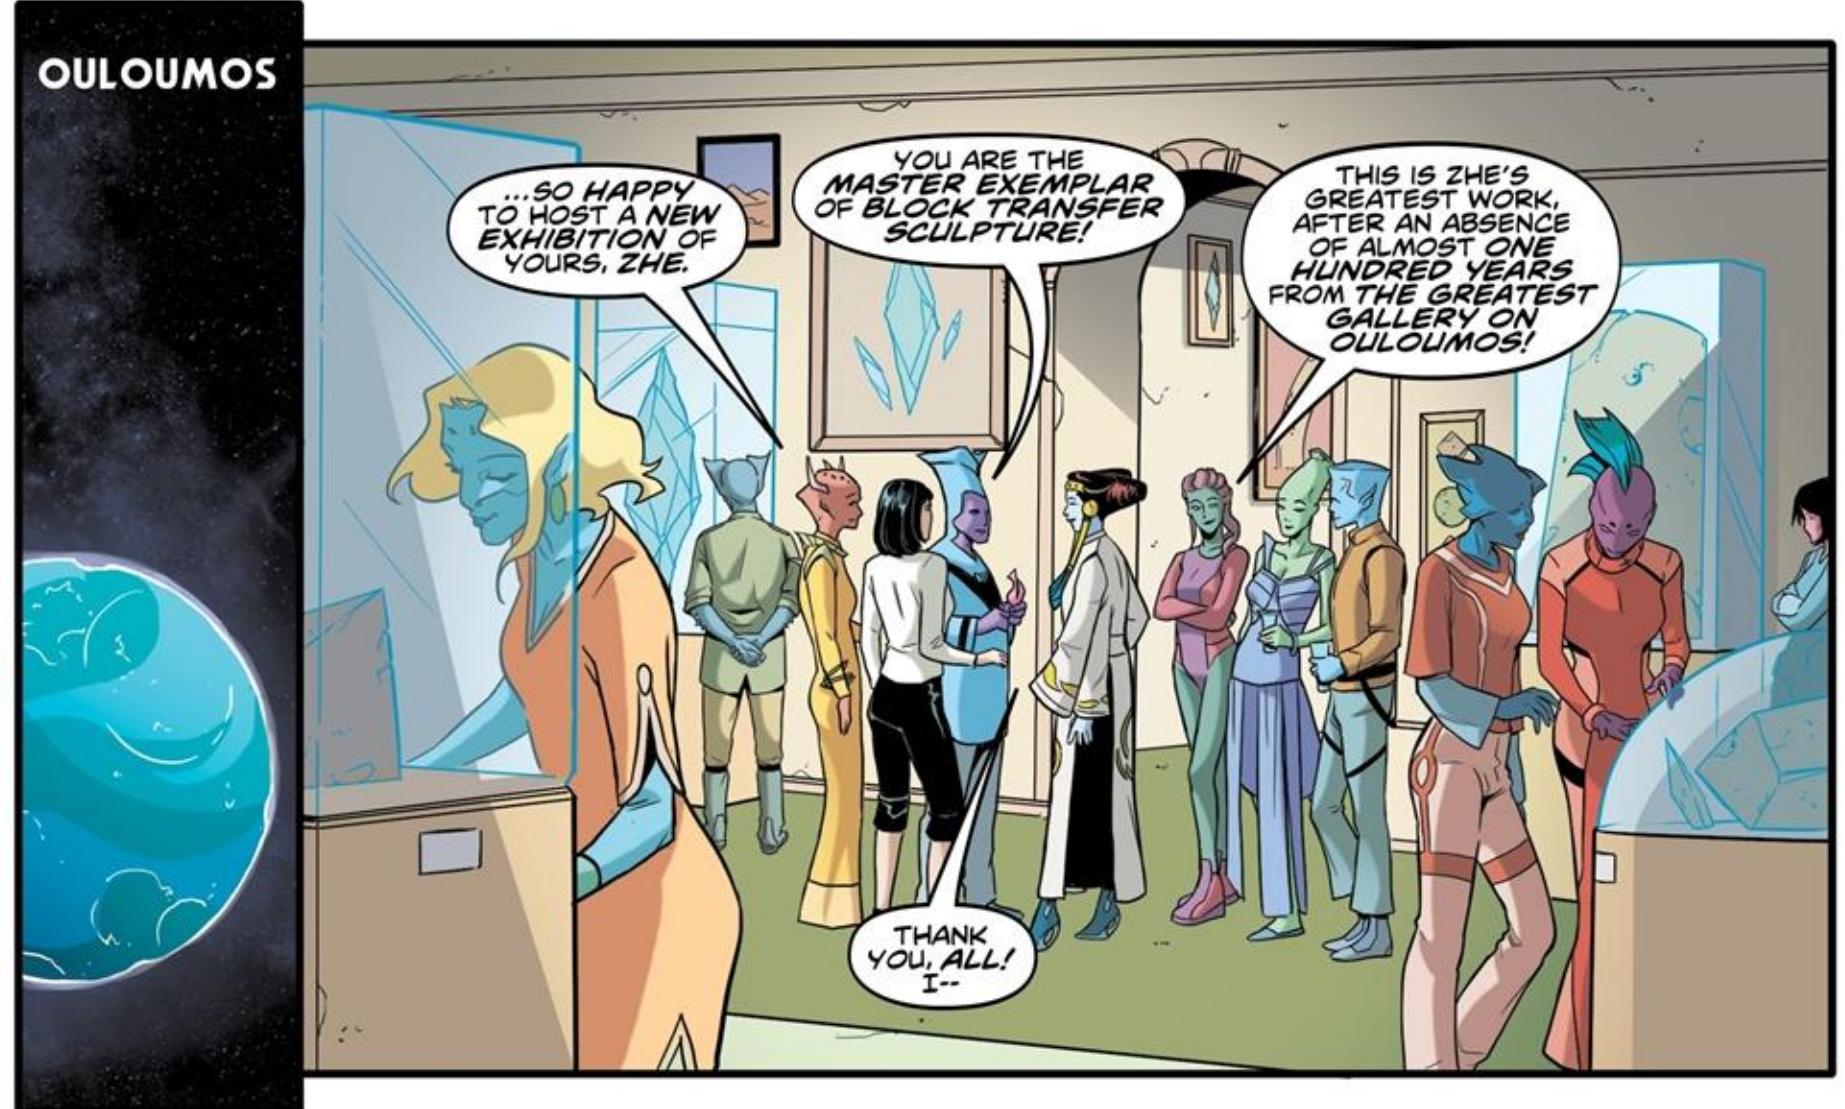

OULOUMOS

...WE'LL HAVE
A CASE AGAINST
THE DOCTOR SO VAST
AND COMPLETE
WE CAN ASK THE
LOCK-KEEPER TO
ANNIHILATE
HIS ENTIRE
TIMELINE...

SO HE'LL
NEVER EVEN
HAVE EVER
EXISTED!

TO BE CONTINUED!
