DOCTOR WHO

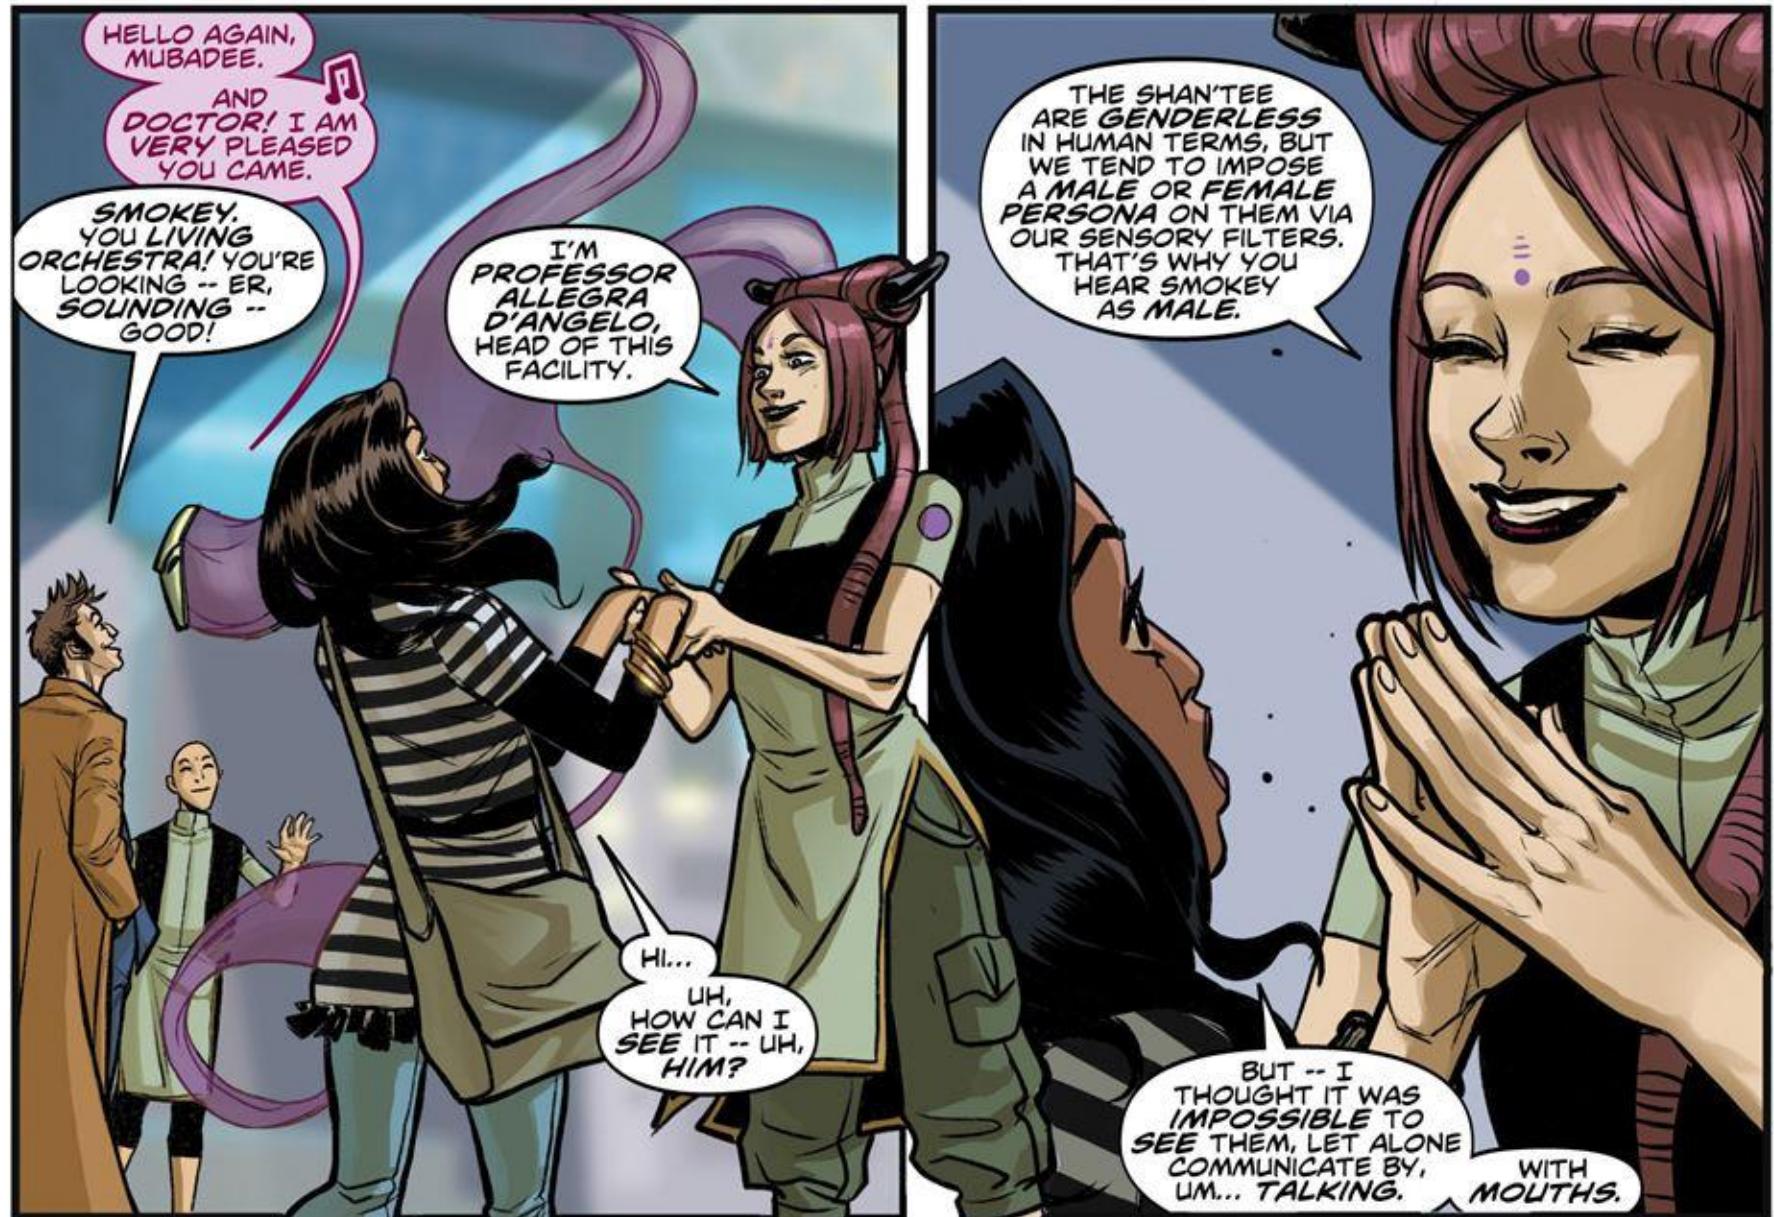

NOT IF WE CHANGE THE WAY YOU PERCEIVE HIM. IN HERE, YOU'RE BATHED IN AN IMMERSION FIELD -- A VISUAL TRANSLATION MATRIX OF MY OWN DEVISING.

RIGHT, A GIZMO.

EXACTLY.

I'VE BEEN WORKING WITH THE SHAN'TEE FOR MANY YEARS.

I WAS ALREADY PRACTICING NEUROSCIENCE, BUT THEN A HEAD INJURY CAUSED ME TO DEVELOP A CONDITION CALLED SYNAESTHESIA.

THAT'S WHEN YOUR SENSES BECOME ENTWINED? YOU SEE WORDS AS COLORS, EXPERIENCE SOUNDS AS TASTES...

YES, MY CASE WAS -- IS -- FAIRLY EXTREME. I HEAR MUSIC AS COLOR, SEE IT AS LIGHT... THAT'S WHEN I FIRST MET SMOKEY. THAT'S WHAT I CALLED HER.

YOU COULD 'SEE' THE SHAN'TEE?

IT'S A BIG REASON WHY THIS COLONY HAS BECOME SO SUCCESSFUL...

RIGHT, ALLEGRA?

MY SYNAESTHESIA GAVE ME THE IDEA FOR THE IMMERSION FIELD... OUR COMMUNICATIONS WITH THE SHAN'TEE HAVE IMPROVED TENFOLD SINCE.

PROFESSOR D'ANGELO, MR. SMOKE...

...GOT ANOTHER CASE. THIS ONE'S OCCURRING EVEN FASTER THAN LAST TIME...

LOCATION DELTA IN SECTOR 11, SHEPHERD I.D. "@ CURLYFLOCK_442"...

HARRIS, TRANSMIT A MEDICATION BUNDLE TO THOSE CO-ORDINATES IMMEDIATELY.
