# DOCTOR WHO

THE THIRTEENTH DOCTOR

## A LITTLE HELP FROM MY FRIENDS

### PREVIOUSLY . . .

London, 1969: Thirteen has teamed up with Martha Jones to investigate an apparent break-in at her shop, with mysterious mannequins not far behind... Elsewhere, the fam have been following Ten around hoping to find clues – instead, they're ambushed by a Weeping Angel!

#### Thirteenth Doctor

The Thirteenth Doctor is a live wire, full of energy and fizzing with excitement and wit! She is a charismatic and confident explorer, dedicated to seeing all the wonders of the universe, championing fairness and kindness wherever she can.

#### Tenth Doctor

The Tenth Doctor still hides his post-Time War guilt beneath a happy-go-lucky guise. While often plucky and adventurous, he feels a deep loss for those he has loved. Never cruel or cowardly, he champions the oppressed across time and space.

#### Martha Jones

Martha is a 23-year-old medical student from London, who's very independent, but remains close with her family. She's strong-willed and not afraid when things get tough!

#### Ryan Sinclair

Ryan is a 19-year-old from Sheffield. He is studying to become a mechanic and is great with technology! Though dyspraxic, his curiosity and energy always win out over fear.

#### Yasmin 'Yaz' Khan

Yaz is a 19-year-old Sheffielder, friendly and self-assured, a quick logical thinker and a natural leader – which is why she loves her job as a probationary police officer!

#### Graham O'Brien

Graham is funny, charming and a cheeky chap – a family man from Essex, with a sharp sense of humor and a caring nature. He's brave, selfless, and wise too.

#### The TARDIS

'Time and Relative Dimension in Space'. Bigger on the inside, this unassuming blue police box is your ticket to amazing adventures across time and space!

Special thanks to Chris Chibnall, Matt Stevens, Sam Hoyle, Mandy Thwaites, Gabby De Matteis, Ross McGlinchey, David Wilson-Nunn, Kirsty Mullan, Kate Bush, Shannon Cuthbert and Suzy L. Raia for their invaluable assistance.
