VORTEX BUTTERFLIES PART TWO

THE DOCTOR

Last of the Time Lords of Gallifrey, the Tenth Doctor still hides his post-Time War guilt beneath a happy-go-lucky guise. Never cruel or cowardly, he champions the oppressed across time and space - but is that enough to save everyone he cares for?!

GABBY GONZALEZ

Gabriella Gonzalez is a young would-be artist from Sunset Park, Brooklyn, New York, who has had many adventures alongside the Tenth Doctor, even gaining mysterious 'Block Transfer' powers on her travels, that manifest as energy butterflies!

CINDY WU

Gabby's loyal best friend, now travelling with her in the TARDIS. Cindy has learned first-hand of the dangers time and space can bring – especially after leaving her five hundred clone 'daughters' behind in the past!

PREVIOUSLY...

After their collective ordeal in Ancient China, the Doctor received a mysterious signal... which turned out to be from his future self! Though the Tenth Doctor won't remember the exact details of their meeting, the warning from the future will linger... Having abandoned Gabby and Cindy in London at the house of an old friend, it turns out the Doctor may have left more problems than solutions in his wake – as Gabby's powers began to manifest on an unprecedented scale!

Special thanks to Steven Moffat, Brian Minchin, Mandy Thwaites, Matt Nicholls, James Dudley, Edward Russell, Derek Ritchie, Scott Handcock, Kirsty Mullan, Kate Bush, and Ed Casey for their invaluable assistance.
