DOCTOR WHO

THE THIRTEENTH DOCTOR

A NEW BEGINNING

PREVIOUSLY...

When the Doctor fell out of the Sheffield sky and into the lives of Graham, Yasmin, and Ryan, they had little idea how much their worlds would change!

Now the Doctor and her friends travel through space and time, righting wrongs, facing terrible danger, and witnessing magnificent wonders!

The Doctor

The Thirteenth Doctor is a live wire, full of energy and fizzing with excitement and wit! The Doctor is a charismatic and confident explorer, dedicated to seeing all the wonders of the universe, championing fairness and kindness wherever she can. Brave and selfless, this Doctor loves to be surrounded by friends!

Ryan Sinclair

Ryan is 19 years old, born and bred in Sheffield. He works in a warehouse while studying to become a mechanic. He likes video games and is great with technology! Ryan is dyspraxic, which means he sometimes finds physical coordination tricky – but his curiosity and energy always win out over fear.

Yasmin 'Yaz' Khan

Yaz is a 19-year-old Sheffielder, friendly and self-assured, a quick logical thinker and a natural leader – the perfect person to have around in a crisis! Yaz loves her job as a probationary police officer, but wants more – not because she's bored, but because she loves adventure and the thrill of the new!

Graham O'Brien

Graham is a funny, charming and cheeky chap from Essex – he's a family man and an ex-bus driver, with a sharp sense of humor and a caring, warm nature. He might be of a different generation (and might sometimes move at a slower pace than Yaz and Ryan), but he's brave, selfless, and wise too – just like the Doctor.

The TARDIS

Time and Relative Dimension in Space: Bigger on the inside, this unassuming blue police box is your ticket to amazing adventures across time and space! The Doctor likes to think she's in control of her temporal jaunts, but more often than not, the temperamental TARDIS takes her and her friends to where and when they need to be...

Special thanks to Chris Chibnall, Matt Strevens, Sam Hoyle, Mandy Thwaites, Gabby De Matteis, Ross McGlinchey, David Wilson-Nunn, Kirsty Mullan, Kate Bush, and Shannon Cuthbert for their invaluable assistance.
