## THE TENTH DOCTOR

#12

### THE DOCTOR

Last of the Time Lords of Gallifrey, the Tenth Doctor still hides his post-Time War guilt beneath a happy-go-lucky guise. Never cruel or cowardly, he champions the oppressed across time and space – but his last adventure has left him shaken.

### GABBY GONZALEZ

Gabriella Gonzalez is a young would-be artist from Sunset Park, Brooklyn, New York, who is traveling the universe at the Tenth Doctor's side. Her youthful spirit and artistic eye are coupled to an adventurous and quick-witted mind!

### CINDY WU

Gabby's fiercely loyal best friend, now traveling with her in the TARDIS, and making the most of every second of her second chance. She's recently fallen hard for a talented New Orleans jazz musician, Roscoe Ruskin!

### PREVIOUSLY...

The Doctor took Gabby and Cindy on a vacation to New Orleans, at the height of the jazz age, where Gabby took the chance to unwind, and Cindy fell in love, fast, with local musician Roscoe. The Doctor has been preoccupied the whole time, still troubled by his encounter with the 'Wishing Well Witch'.

When several musicians were struck by a mysterious illness (including Cindy's boyfriend) robbing them of their ability to play, the trio investigated the cause – and discovered that the Nocturnes are back! And this time their monstrous chief entity won't be as easily defeated as in the clouds of Wupatki!

Special thanks to Steven Moffat, Brian Minchin, Mandy Thwaites, Matt Nicholls, James Dudley, Edward Russell, Derek Ritchie, Scott Handcock, Kirsty Mullan, Kate Bush, and Ed Casey, for their invaluable assistance.

--GOOD

If I can point to a moment when it felt like things started to go wrong, it was then.

UHHH

My ears were ringing, my head pounding. It was like the aftermath of a bomb going off.

CIN...?

SHE'S ALL RIGHT.

DOCTOR!  
SHE'S BREATHING, YES.  
UNCONSCIOUS.  
BERNIE'S ALIVE, TOO.  
DOCTOR,  
I--

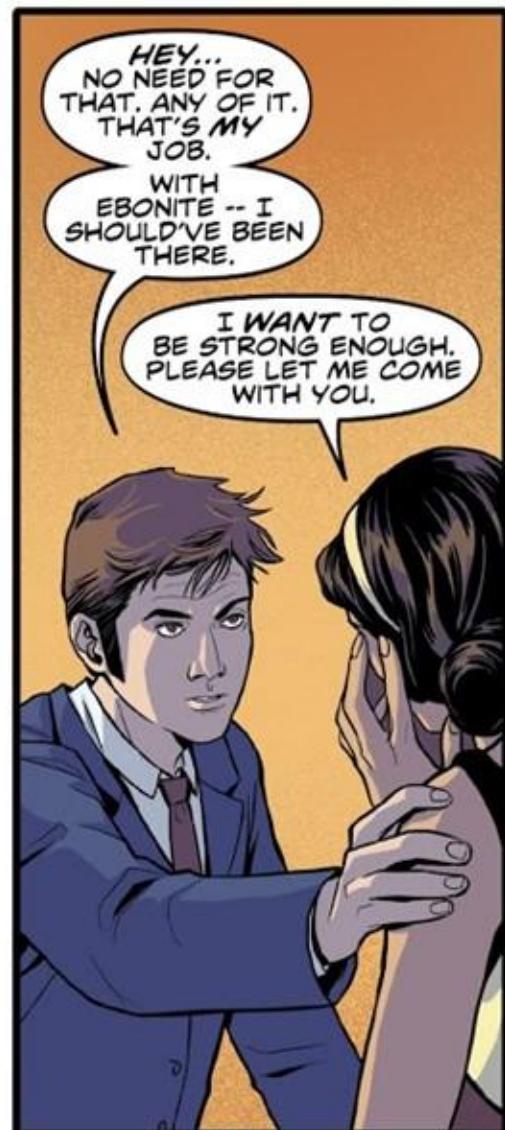

STAY HERE.

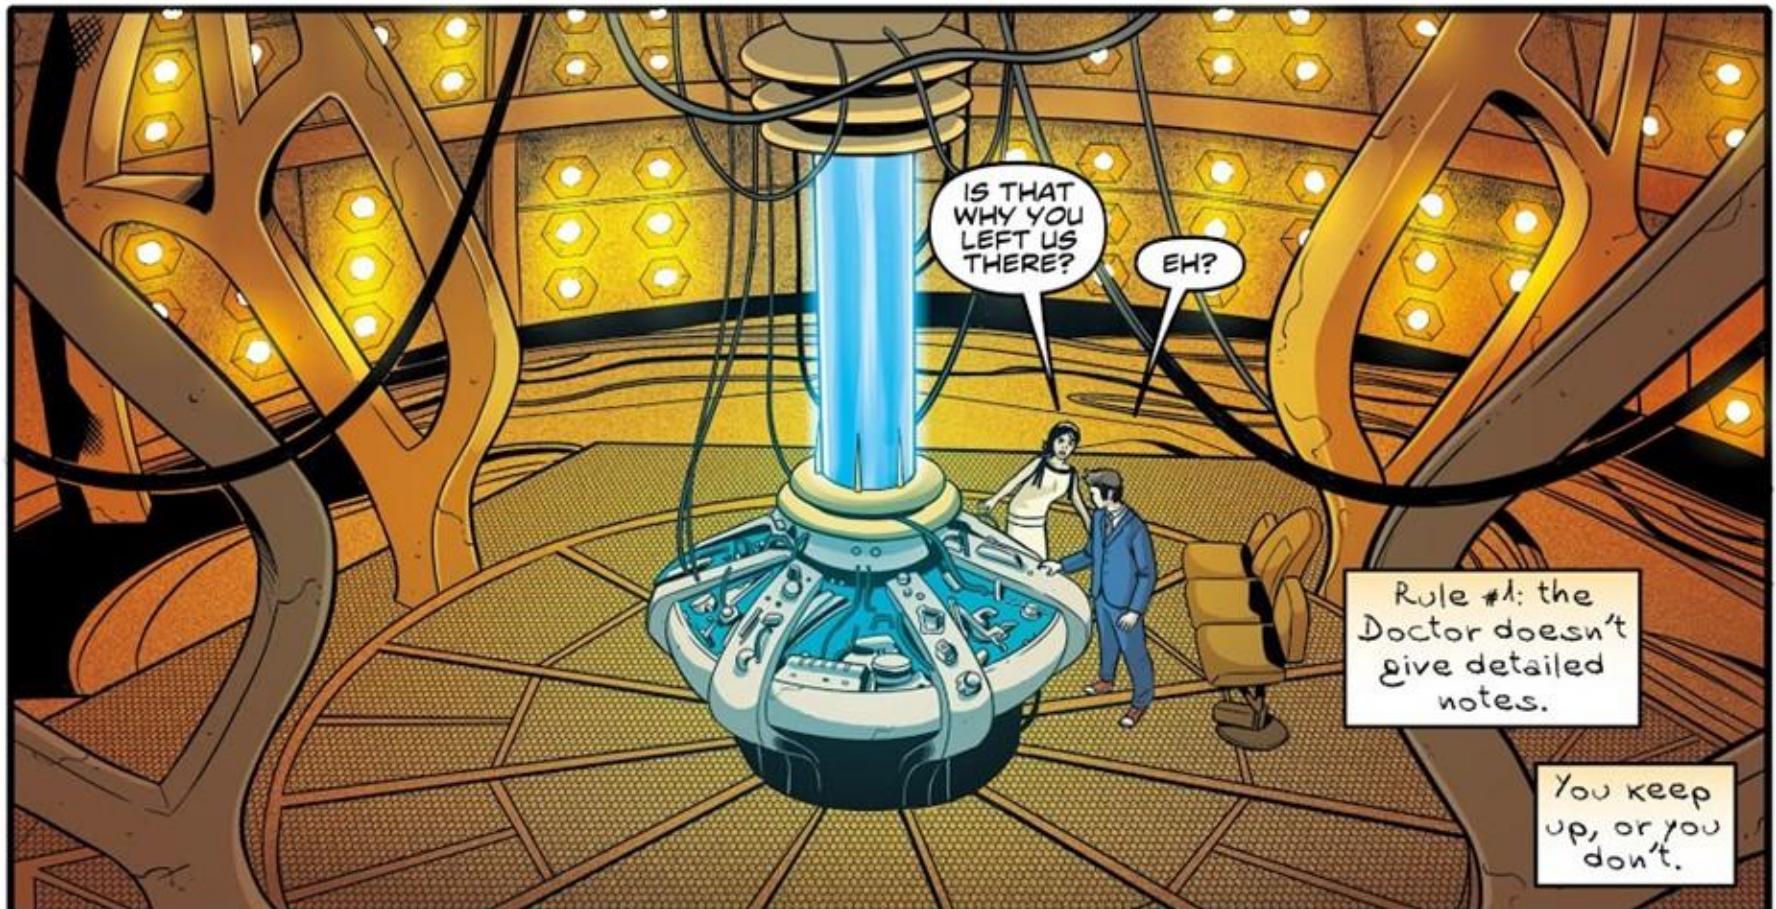

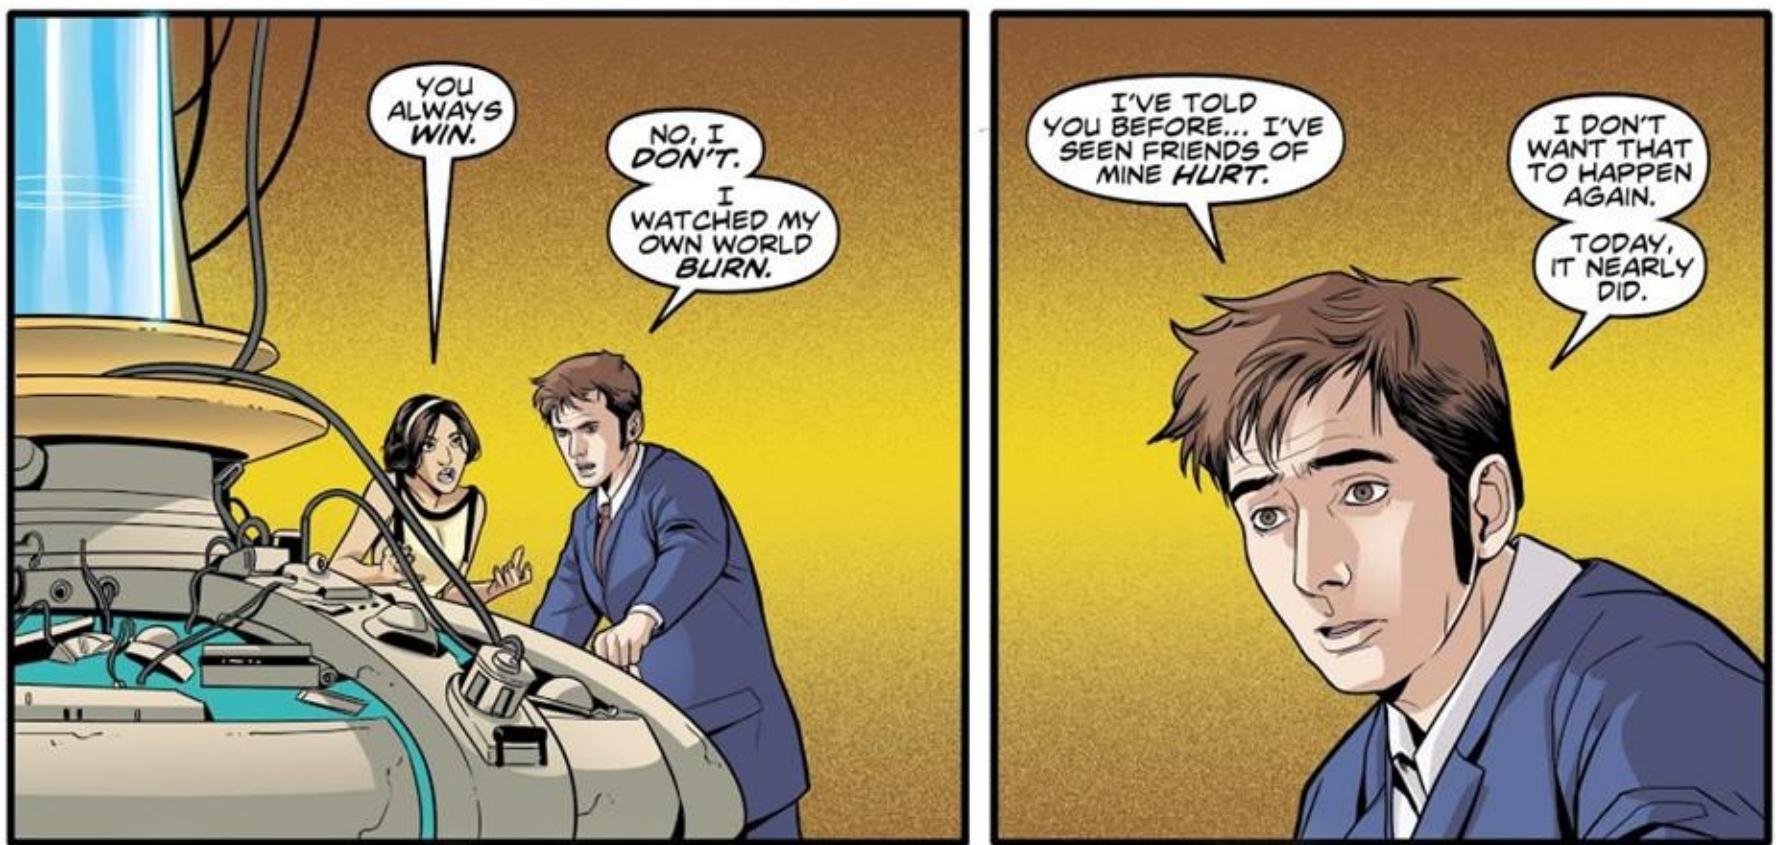

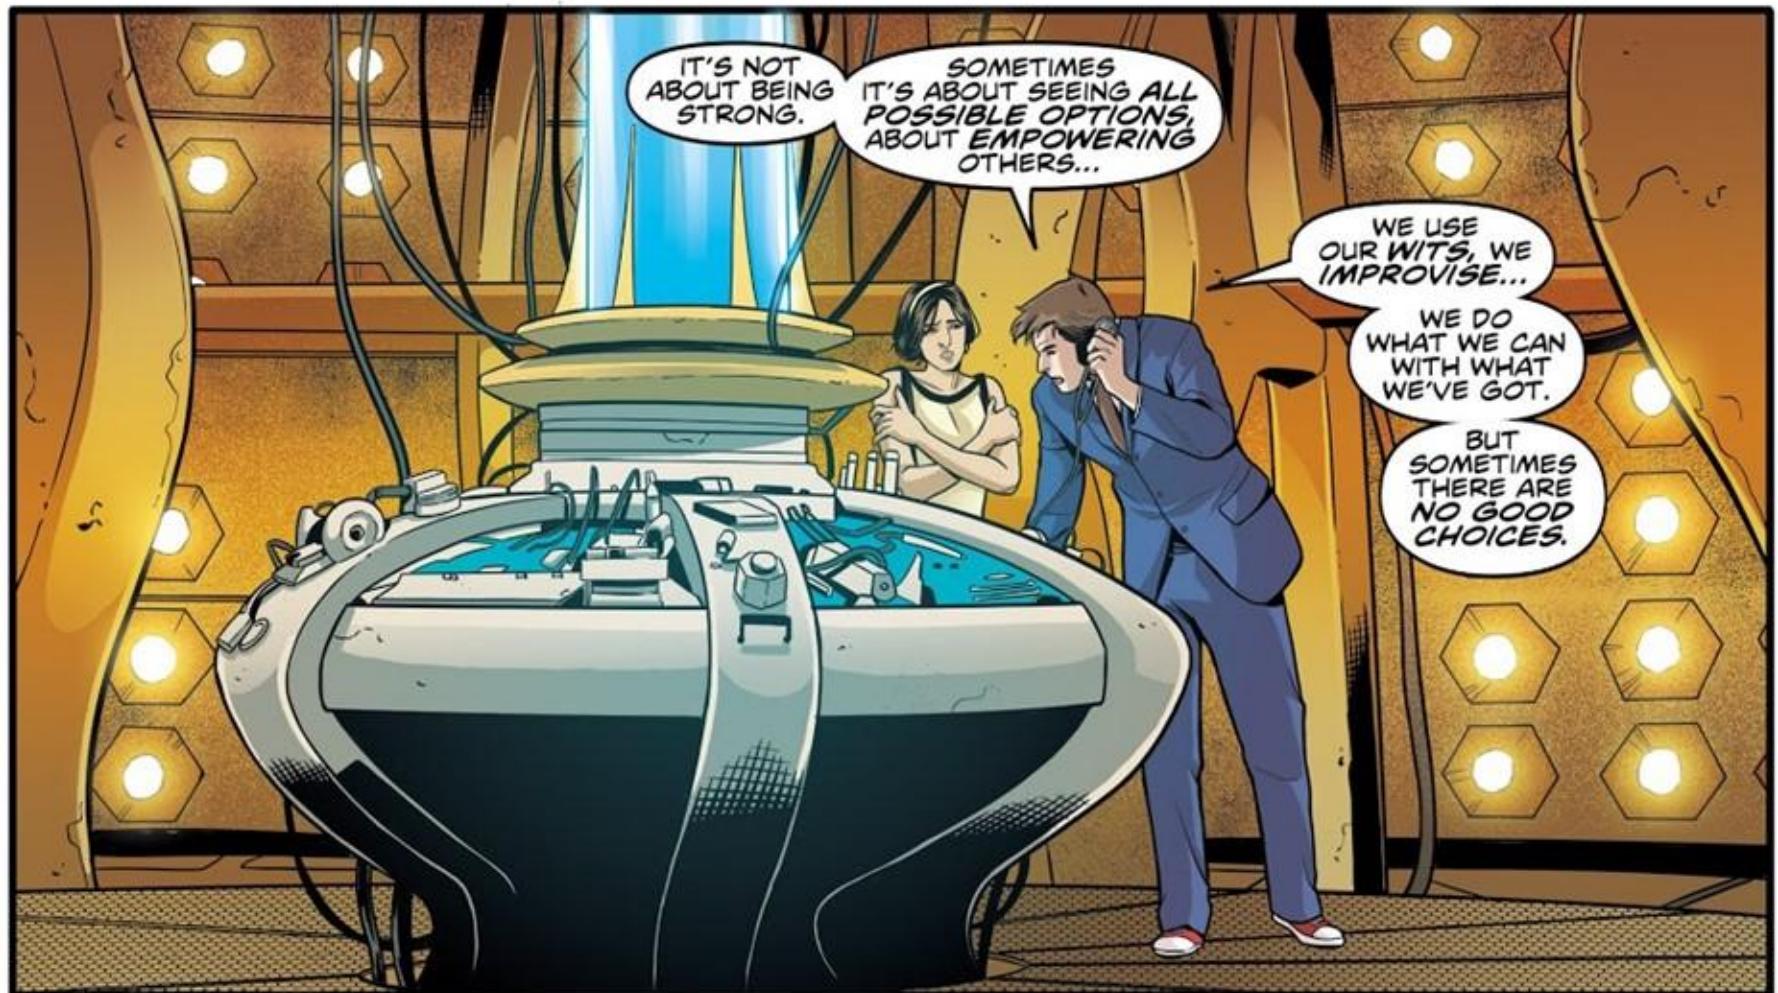

WHAT?  
DOCTOR,  
WHERE'S THE  
NOCTURNE?  
WHERE'S  
ROScoe?

YOU MANAGED  
TO PUT A SHIELD  
AROUND US. WELL  
DONE.

DOCTOR,  
EVERYONE  
ELSE...

But, if you stay alert,  
he gives you **clues**...  
and it's from the clues  
that you begin to see  
the bigger picture.

NO DUST ON  
YOUR CLOTHES. NOT  
A TEAR ON THEM,  
NOT A SCRATCH  
ON YOU.

YOU  
ALREADY  
LEFT BEFORE  
I WOKE UP--  
AND CAME  
BACK.

THAT'S WHY  
THE TARDIS WAS  
PARKED OUTSIDE THE  
CLUB. DID YOU THINK  
I'D FORGOTTEN THAT  
WE WALKED THERE?

DON'T  
MISS MUCH,  
DO YOU?  
I HAD TO  
ACT FAST. SET  
SOMETHING  
UP.

WHERE  
DID YOU  
GO?

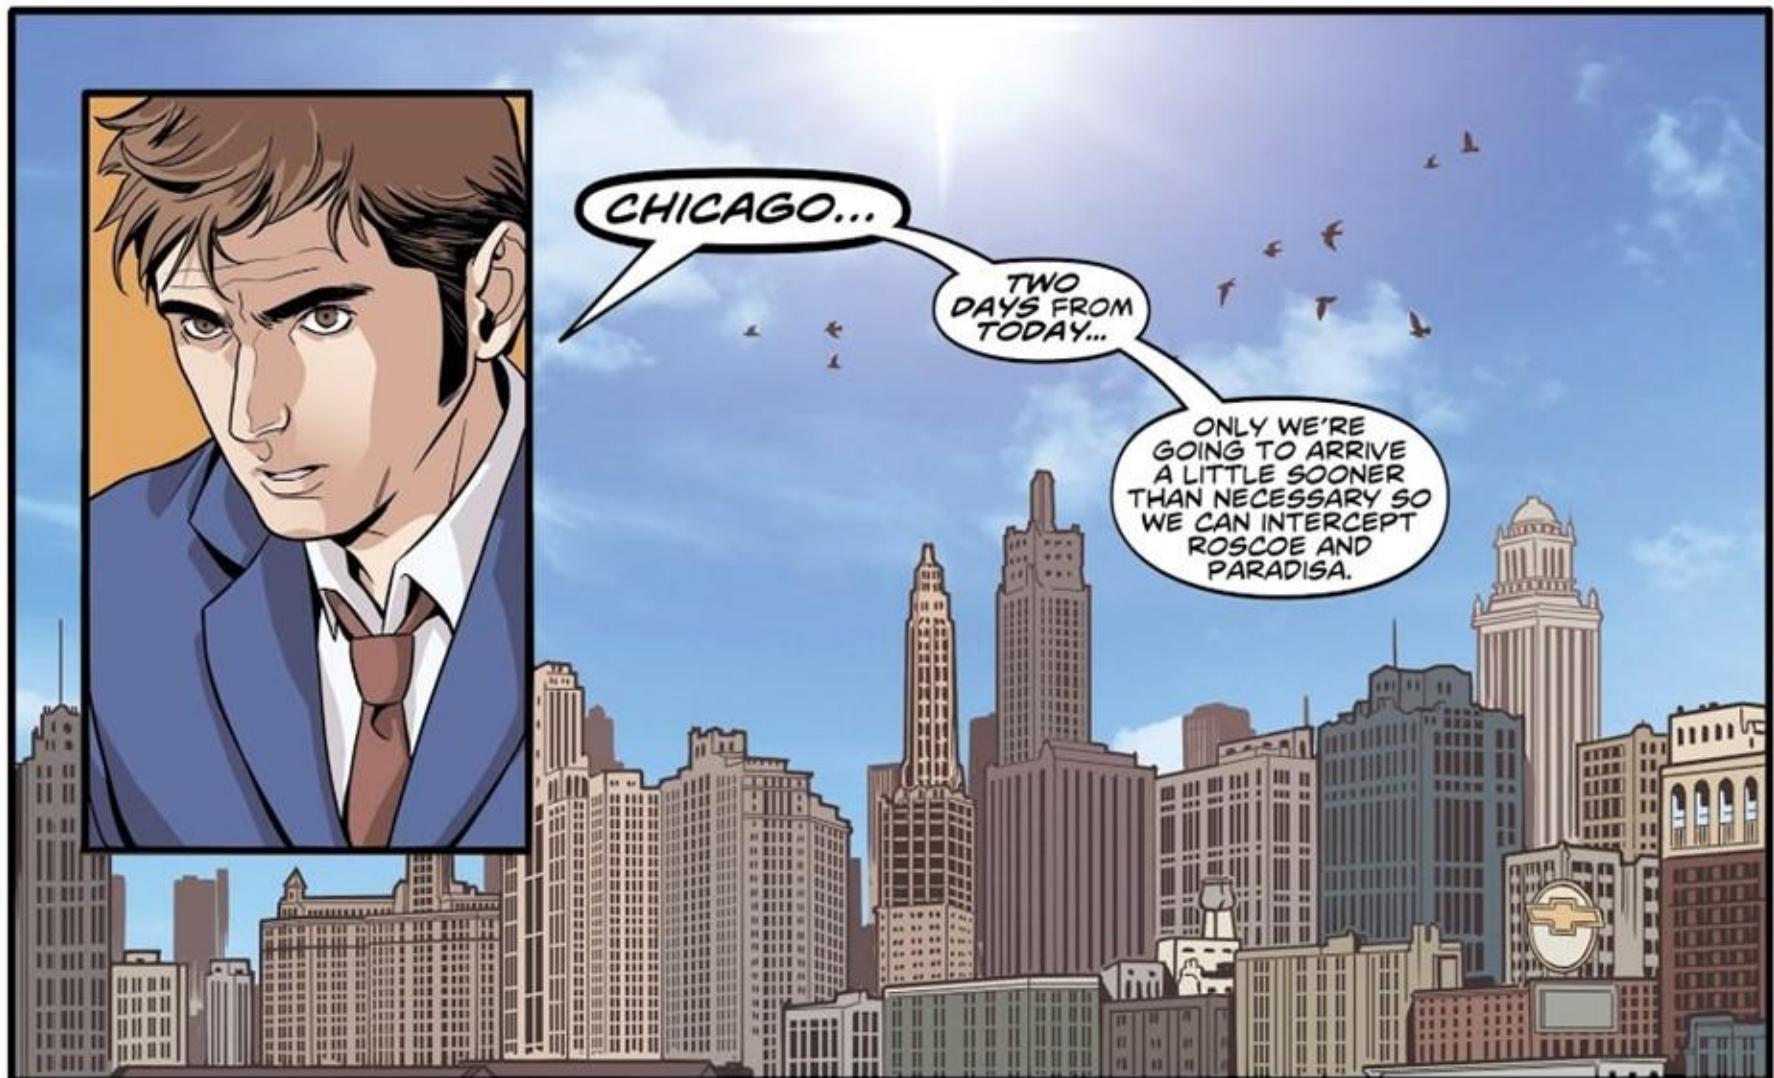

WHERE  
WE'RE GOING  
NOW...

CHICAGO...

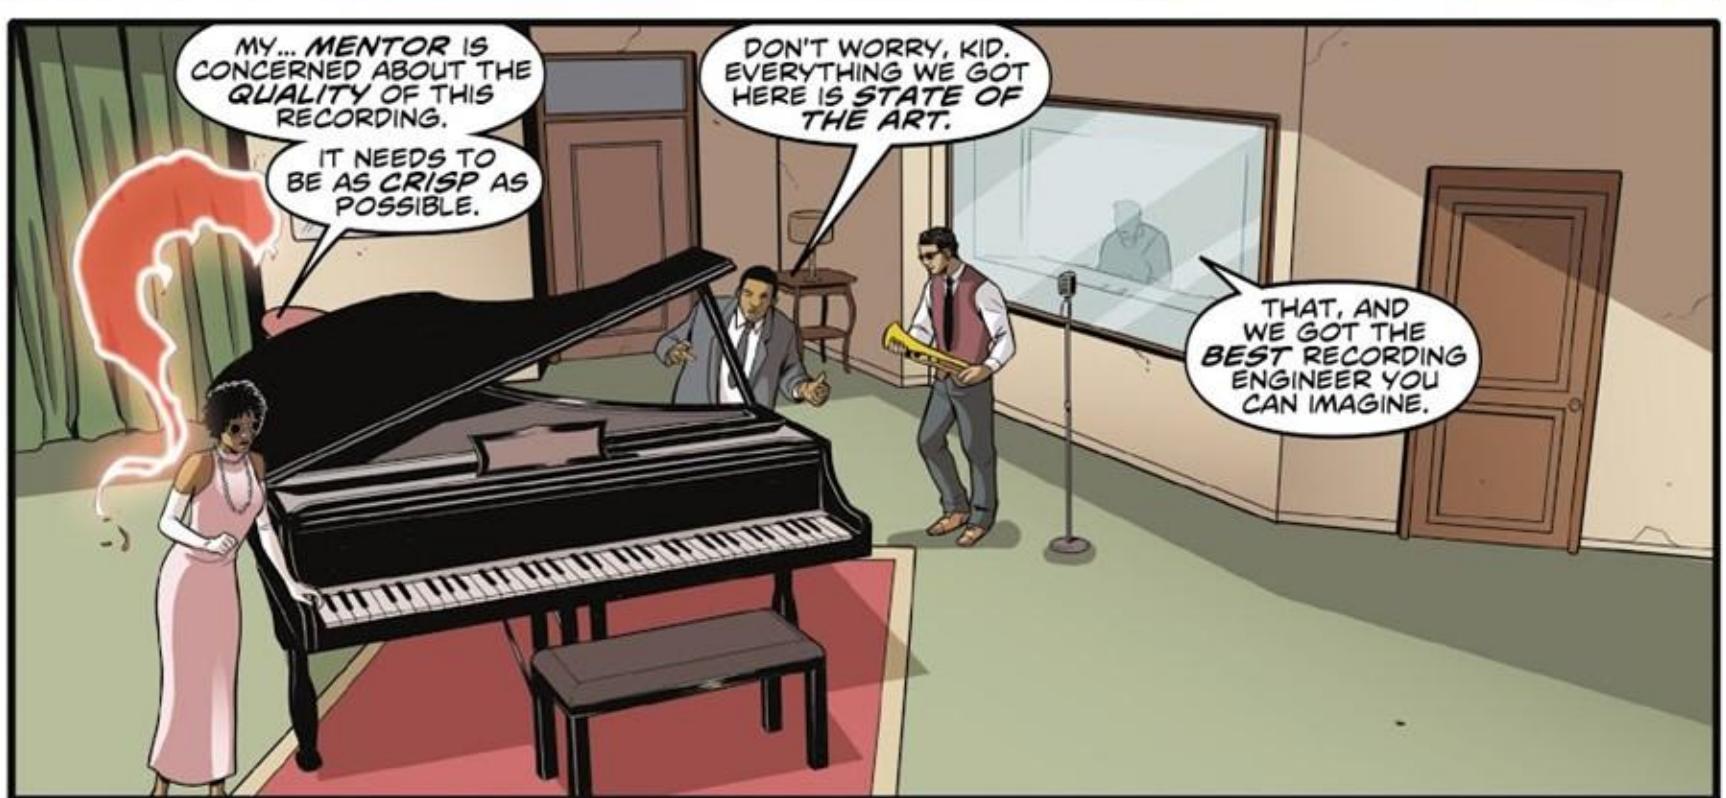

TWO  
DAYS FROM  
TODAY...

ONLY WE'RE  
GOING TO ARRIVE  
A LITTLE SOONER  
THAN NECESSARY SO  
WE CAN INTERCEPT  
ROScoe AND  
PARADISA.

GENE, YOU EVER HEAR ANYTHING LIKE THAT? IT'S BEAUTIFUL... BUT UNEARTHLY.

EARL, I NEVER SAW ANYONE PLAY THE PIANO THAT FAST.

HOW IS THAT EVEN POSSIBLE?

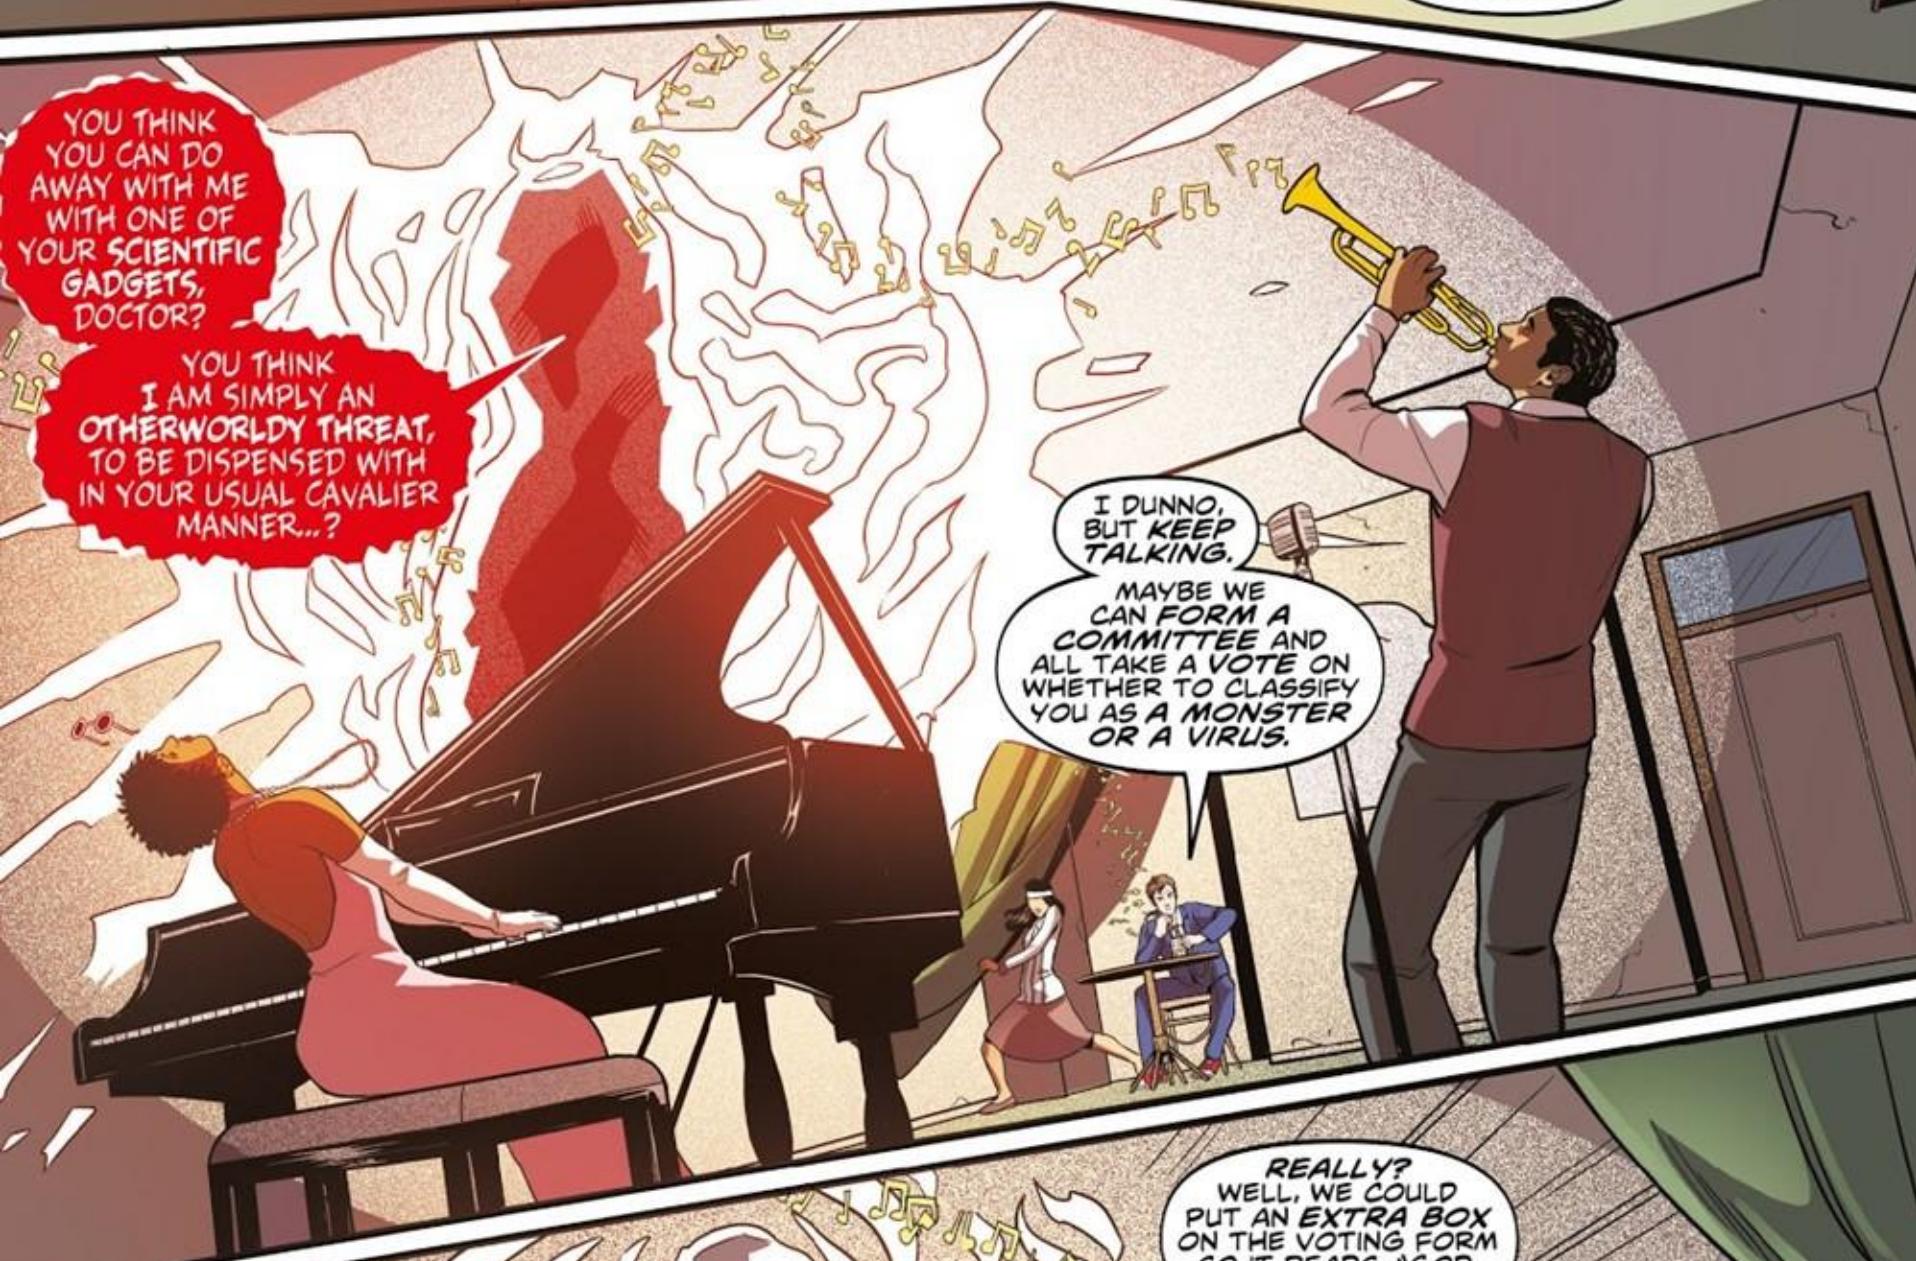

ONCE THIS CODE IS UNLEASHED INTO THE WILD... THERE WILL BE NOTHING TO STOP ME.

I WILL BE BROADCAST... I'LL BE PART OF THE VERY AIR AROUND YOU, OF THE FIRMAMENT ITSELF.

...THE HELL?

It's true...

Sometimes there are no good choices.

But sometimes you have to make a choice, you're forced to, so you do, and then I guess you have to find a way of moving on.

...ALL DONE NOW, LITTLE LADY. HE'S ON BOARD YOUR... YOUR, UH, SHIP.  
YOU TRAVELERS TAKE CARE OF YERSELVES, NOW.

Roscoe won't be.

YOU TOO, EARL. THANKS FOR EVERYTHING.

...TURNED THE NOCTURNE IN ON ITSELF... REWROTE ITS QUANTUM CODE SO IT'S HARMLESS.

Getting details out of the Doctor afterwards is never easy... Trying to get him to explain what he's done, how he did what he did, is never straightforward.

Yet, right now, he's being as open and enlightening as I've ever heard him.

IN TIME, IT'LL FIND ITS WAY OUT OF THE PRISON I PUT IT IN... BUT THAT'S ANOTHER STORY.

IF YOU SAY SO, DOCTOR.

I've always trusted the Doctor, in the same way you trust your own instincts. It comes naturally.

THANK YOU FOR ALL YOUR HELP AND DISCRETION, GENTLEMEN.

HEY, YOU GOT IT, DOC.

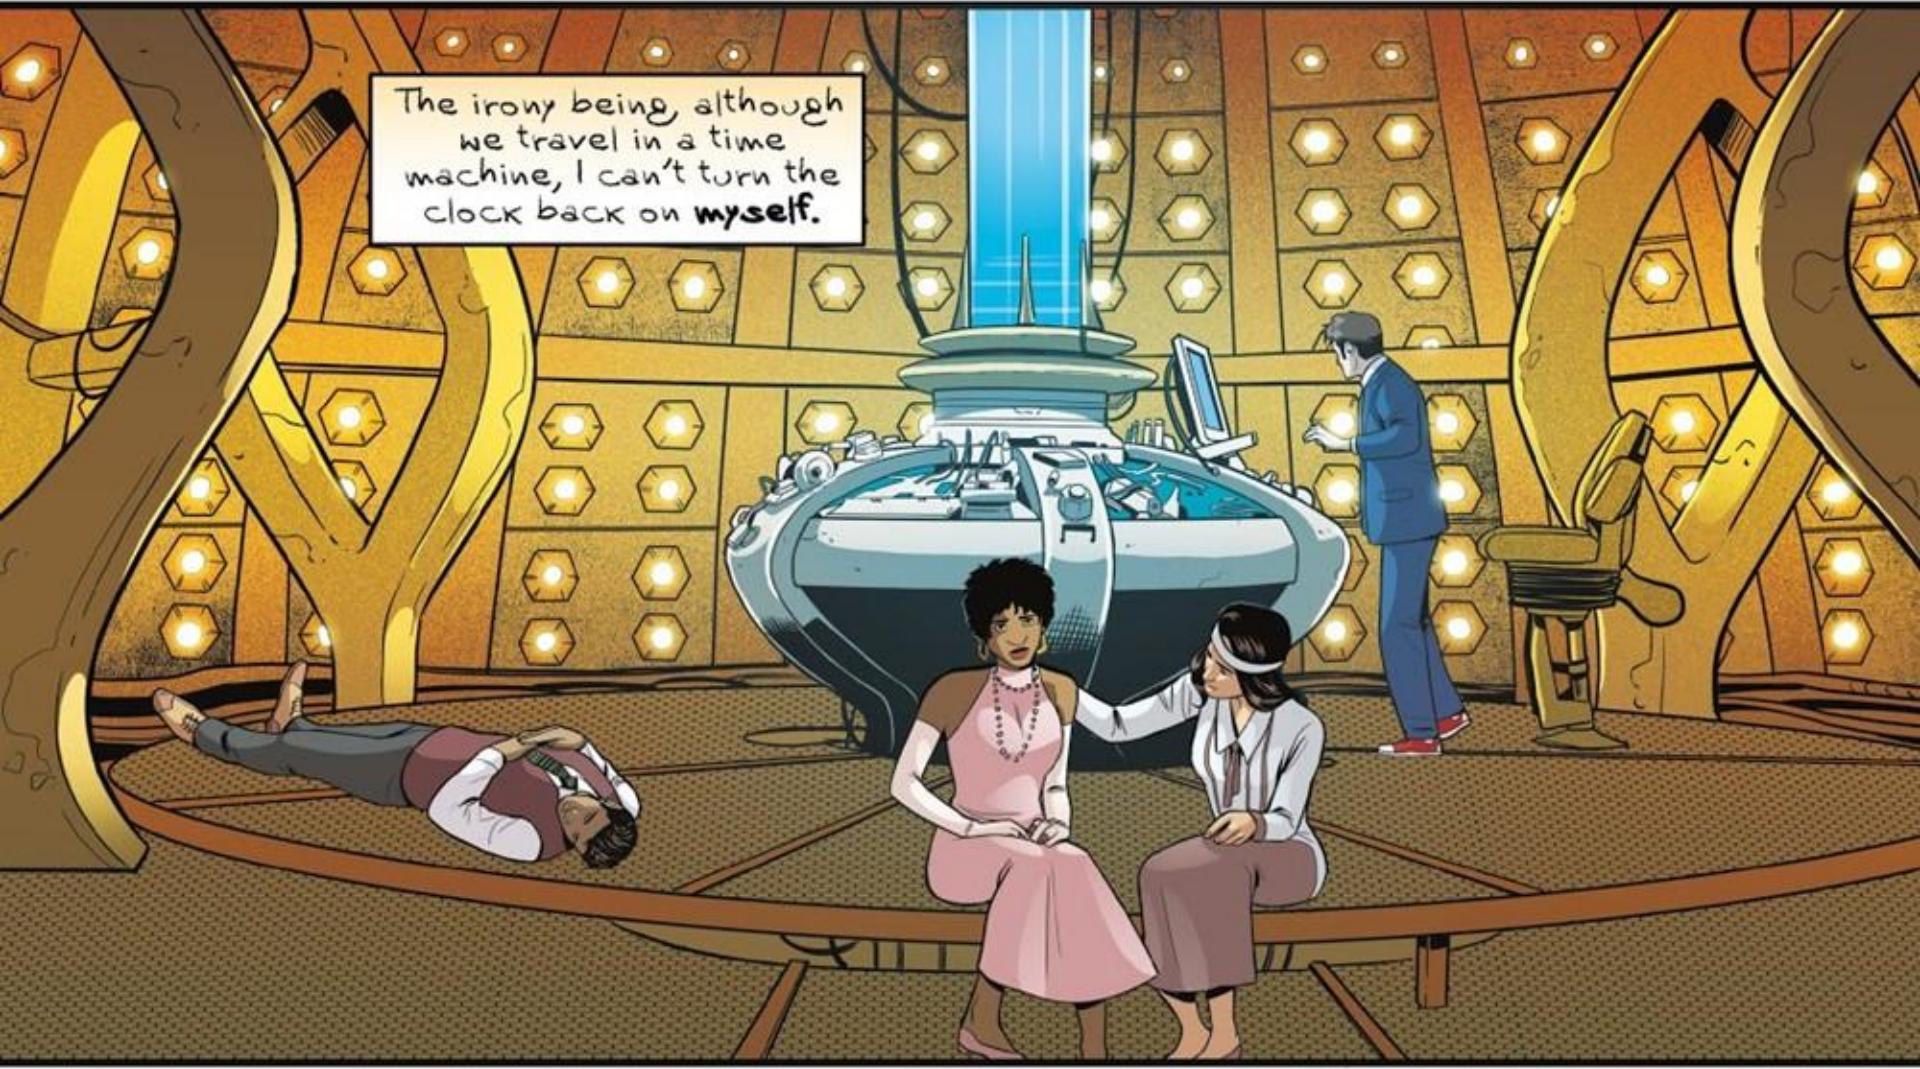

LIKE YOU SAY... WE HELPED SAVE THE WORLD.

AIN'T NO-ONE EVER GONNA BELIEVE US, AN' I DON'T CARE, LONG AS WE STILL HERE.

He did give me a choice.

WOULD YOU LOOK AT THAT!

WOOORRRP

Even though he says time can be rewritten, that the universe is an ocean, there are moments - fixed points - that can't be undone.

**WOORRRP**

Now I have to tell this to my friend.

CINDY...?

HHHHH...

WH--?

SSH. IT'S ME. IT'S OKAY. IT'S OVER.

ALL OVER.

WHERE'S THE DOCTOR? WHERE'S ROSCOE?

I'M HERE.

AND... PARADISA...?

Now I understand why he doesn't ever really explain.

Sometimes, you just can't find the words.
