DOCTOR WHO

THE THIRTEENTH DOCTOR

HIDDEN HUMAN HISTORY

PREVIOUSLY...

Having already tracked the Stilean Flesh Eaters throughout time, the gang are headed to Canada and the Battle of Ridgeway after a tip-off from the Time Agency. What will the Stileans have waiting for them there? And will the Doctor ever give in and try out the podcast everyone's been listening to?

The Doctor

The Thirteenth Doctor is a live wire, full of energy and fizzing with excitement and wit! The Doctor is a charismatic and confident explorer, dedicated to seeing all the wonders of the universe, championing fairness and kindness wherever she can. Brave and selfless, this Doctor loves to be surrounded by friends!

Ryan Sinclair

Ryan is 19 years old, born and bred in Sheffield. He works in a warehouse while studying to become a mechanic. He likes video games and is great with technology! Ryan is dyspraxic, which means he sometimes finds physical co-ordination tricky – but his curiosity and energy always win out over fear.

Yasmin 'Yaz' Khan

Yaz is a 19-year-old Sheffielder, friendly and self-assured, a quick logical thinker and a natural leader – the perfect person to have around in a crisis! Yaz loves her job as a probationary police officer, but wants more – not because she's bored, but because she loves adventure and the thrill of the new!

Graham O'Brien

Graham is a funny, charming and cheeky chap from Essex – he's a family man and an ex-bus driver, with a sharp sense of humor and a caring, warm nature. He might be of a different generation (and might sometimes move at a slower pace than Yaz and Ryan), but he's brave, selfless, and wise too – just like the Doctor.

The TARDIS

Time and Relative Dimension in Space. Bigger on the inside, this unassuming blue police box is your ticket to amazing adventures across time and space! The Doctor likes to think she's in control of her temporal jaunts, but more often than not, the temperamental TARDIS takes her and her friends to where and when they need to be...

Special thanks to Chris Chibnall, Matt Stevens, Sam Hoyle, Mandy Thwaites, Gabby De Matteis, Ross McGlinchey, David Wilson-Nunn, Kirsty Mullan, Kate Bush, Shannon Cuthbert and Suzy L. Raia for their invaluable assistance.

"WILLIAM FOUGHT WELL AGAINST THE FENIANS. I WAS THANKFUL HE SURVIVED WITH SUCH A MINOR INJURY."

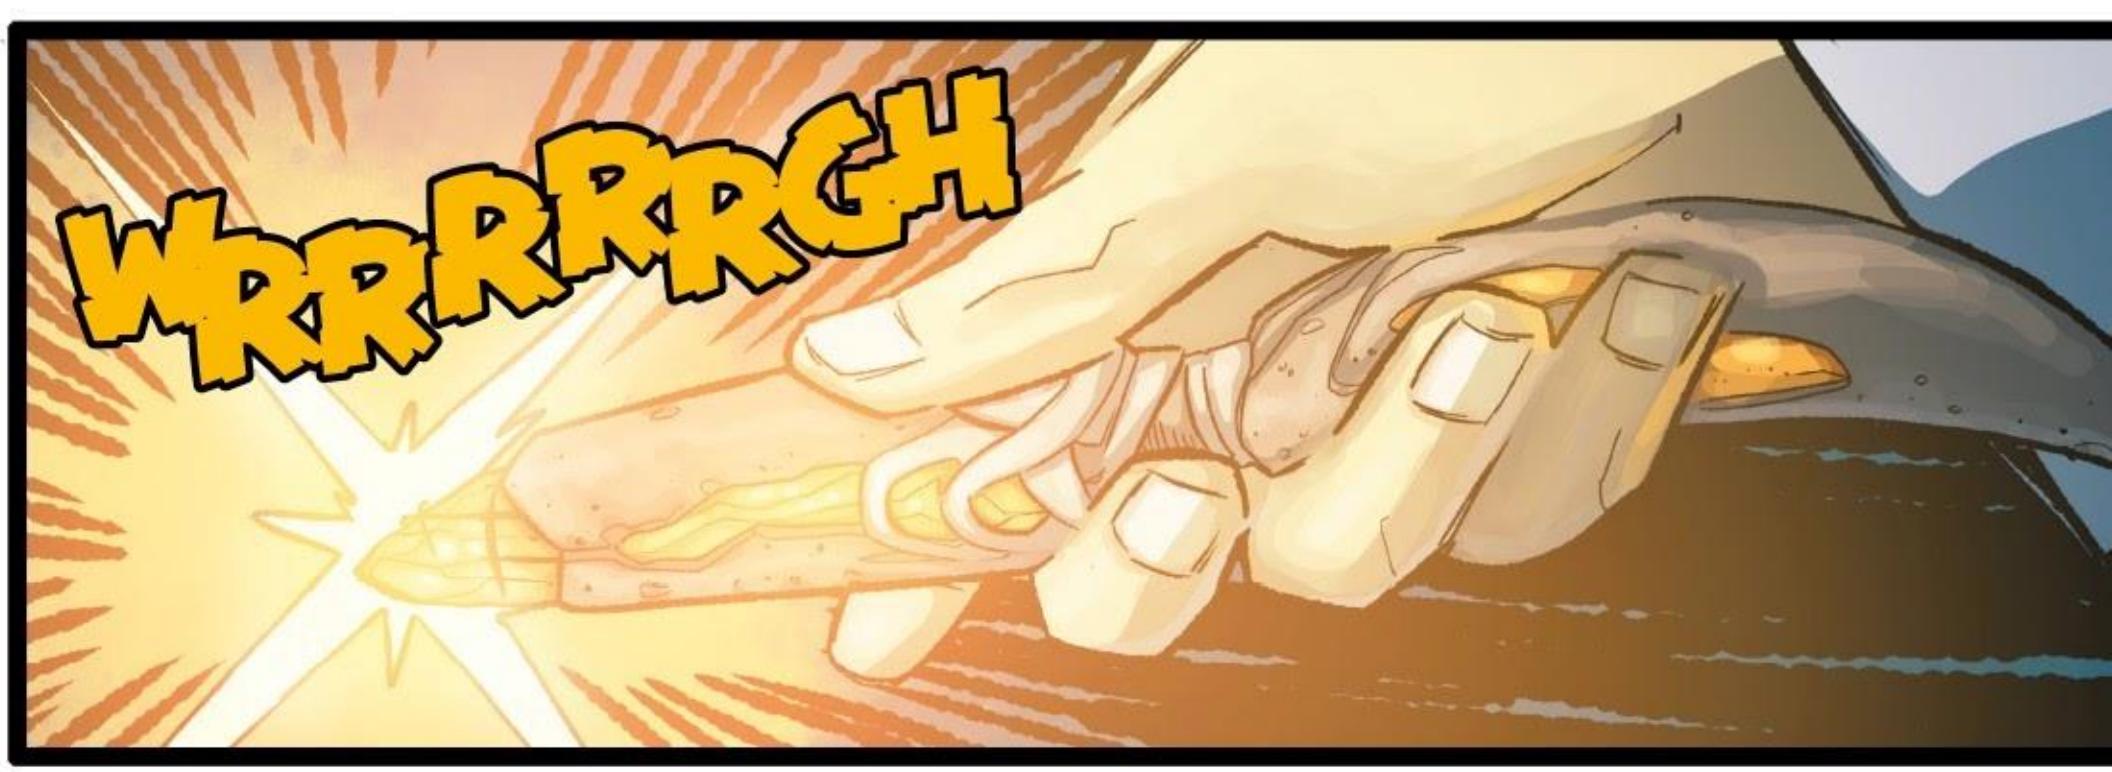

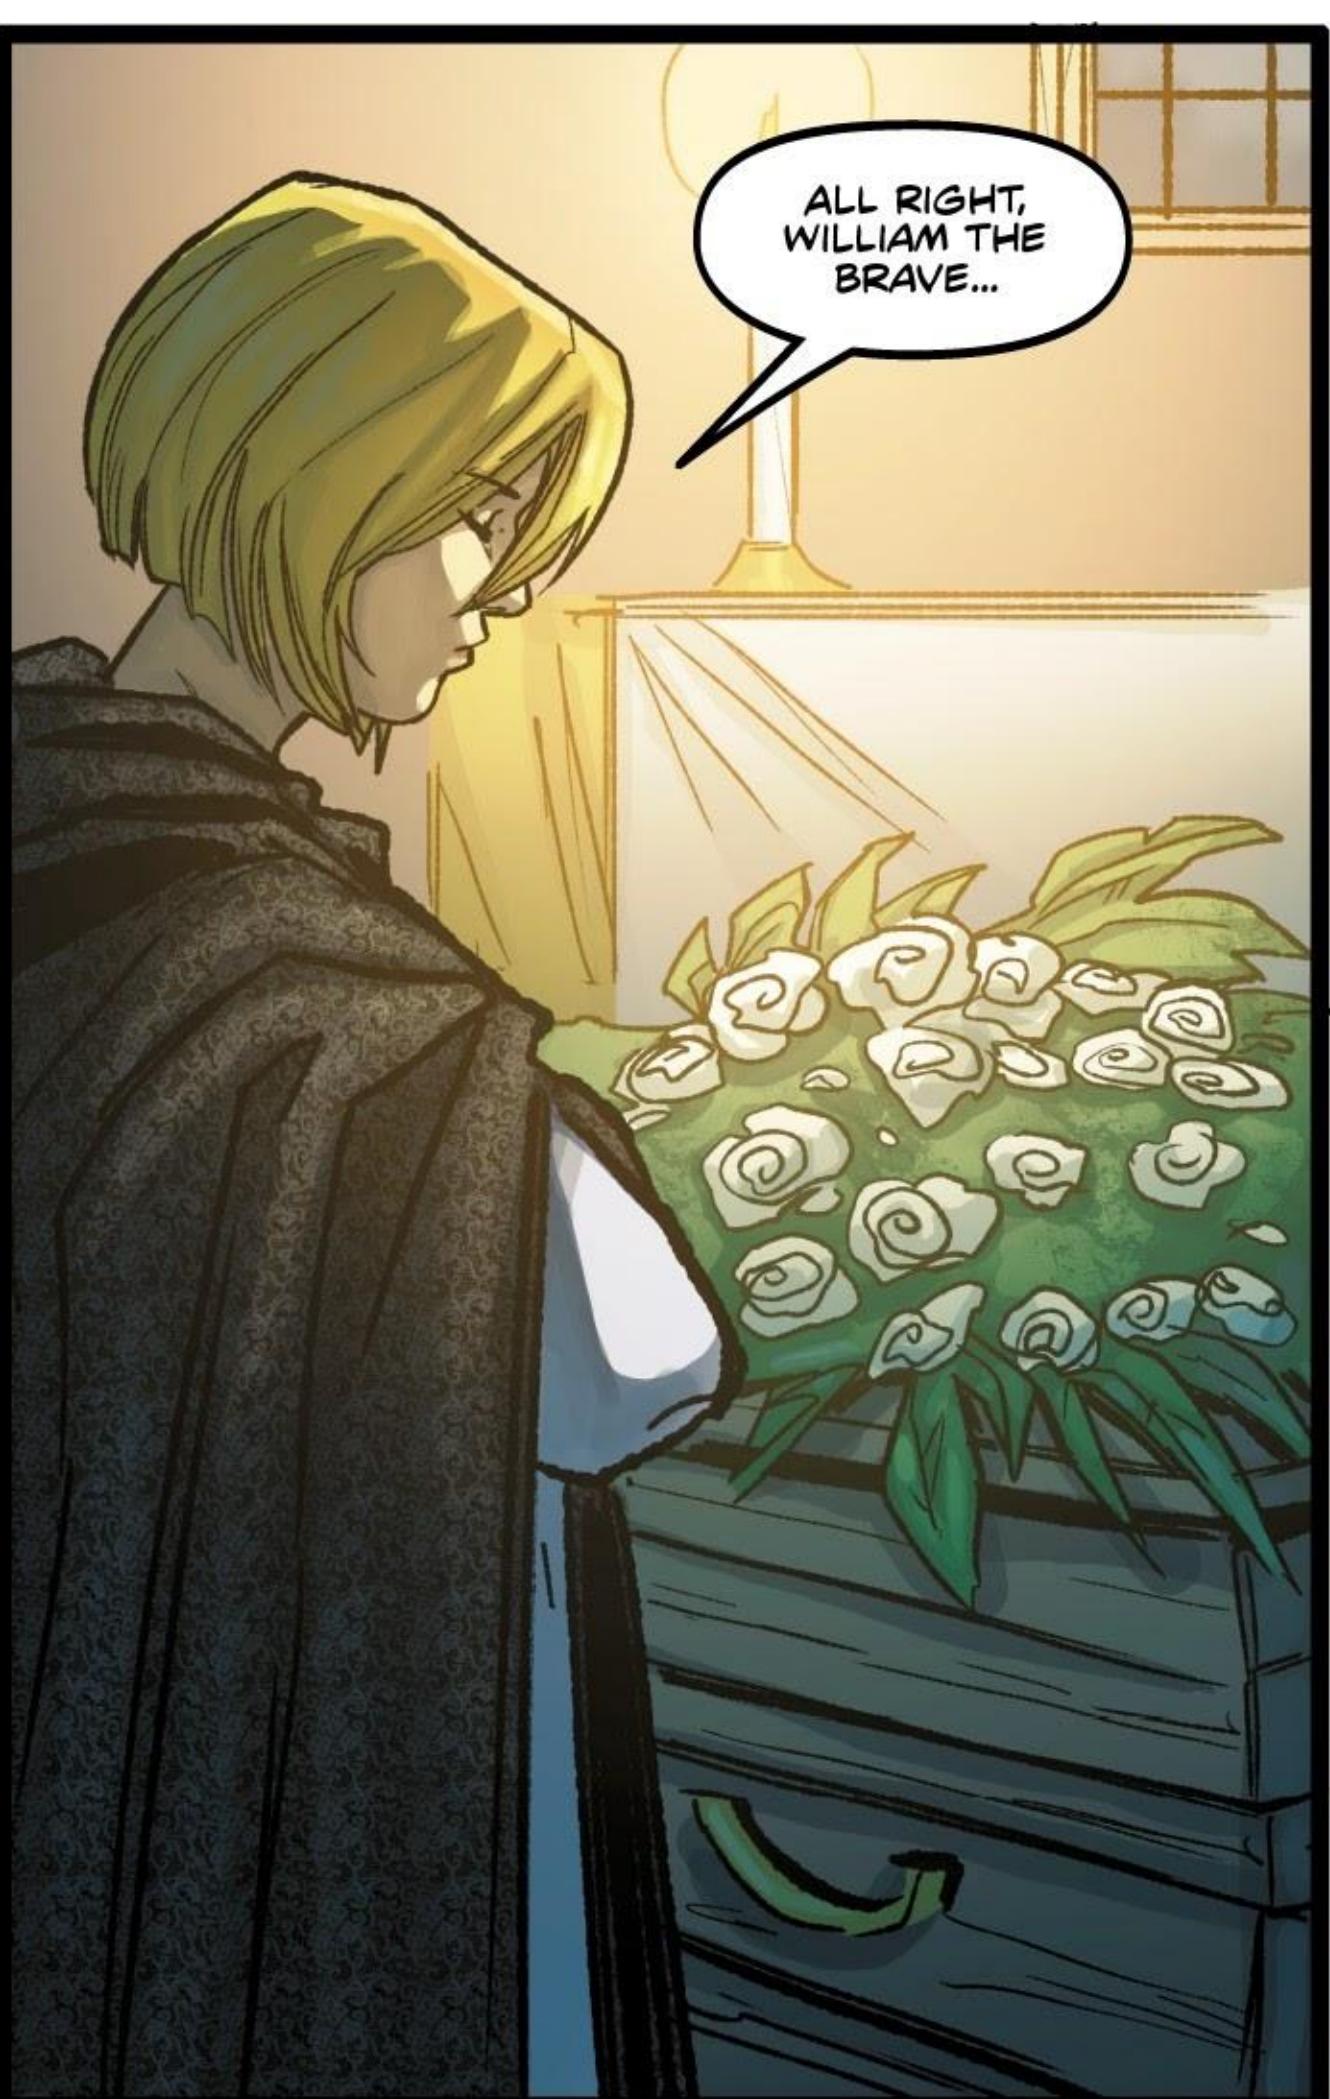

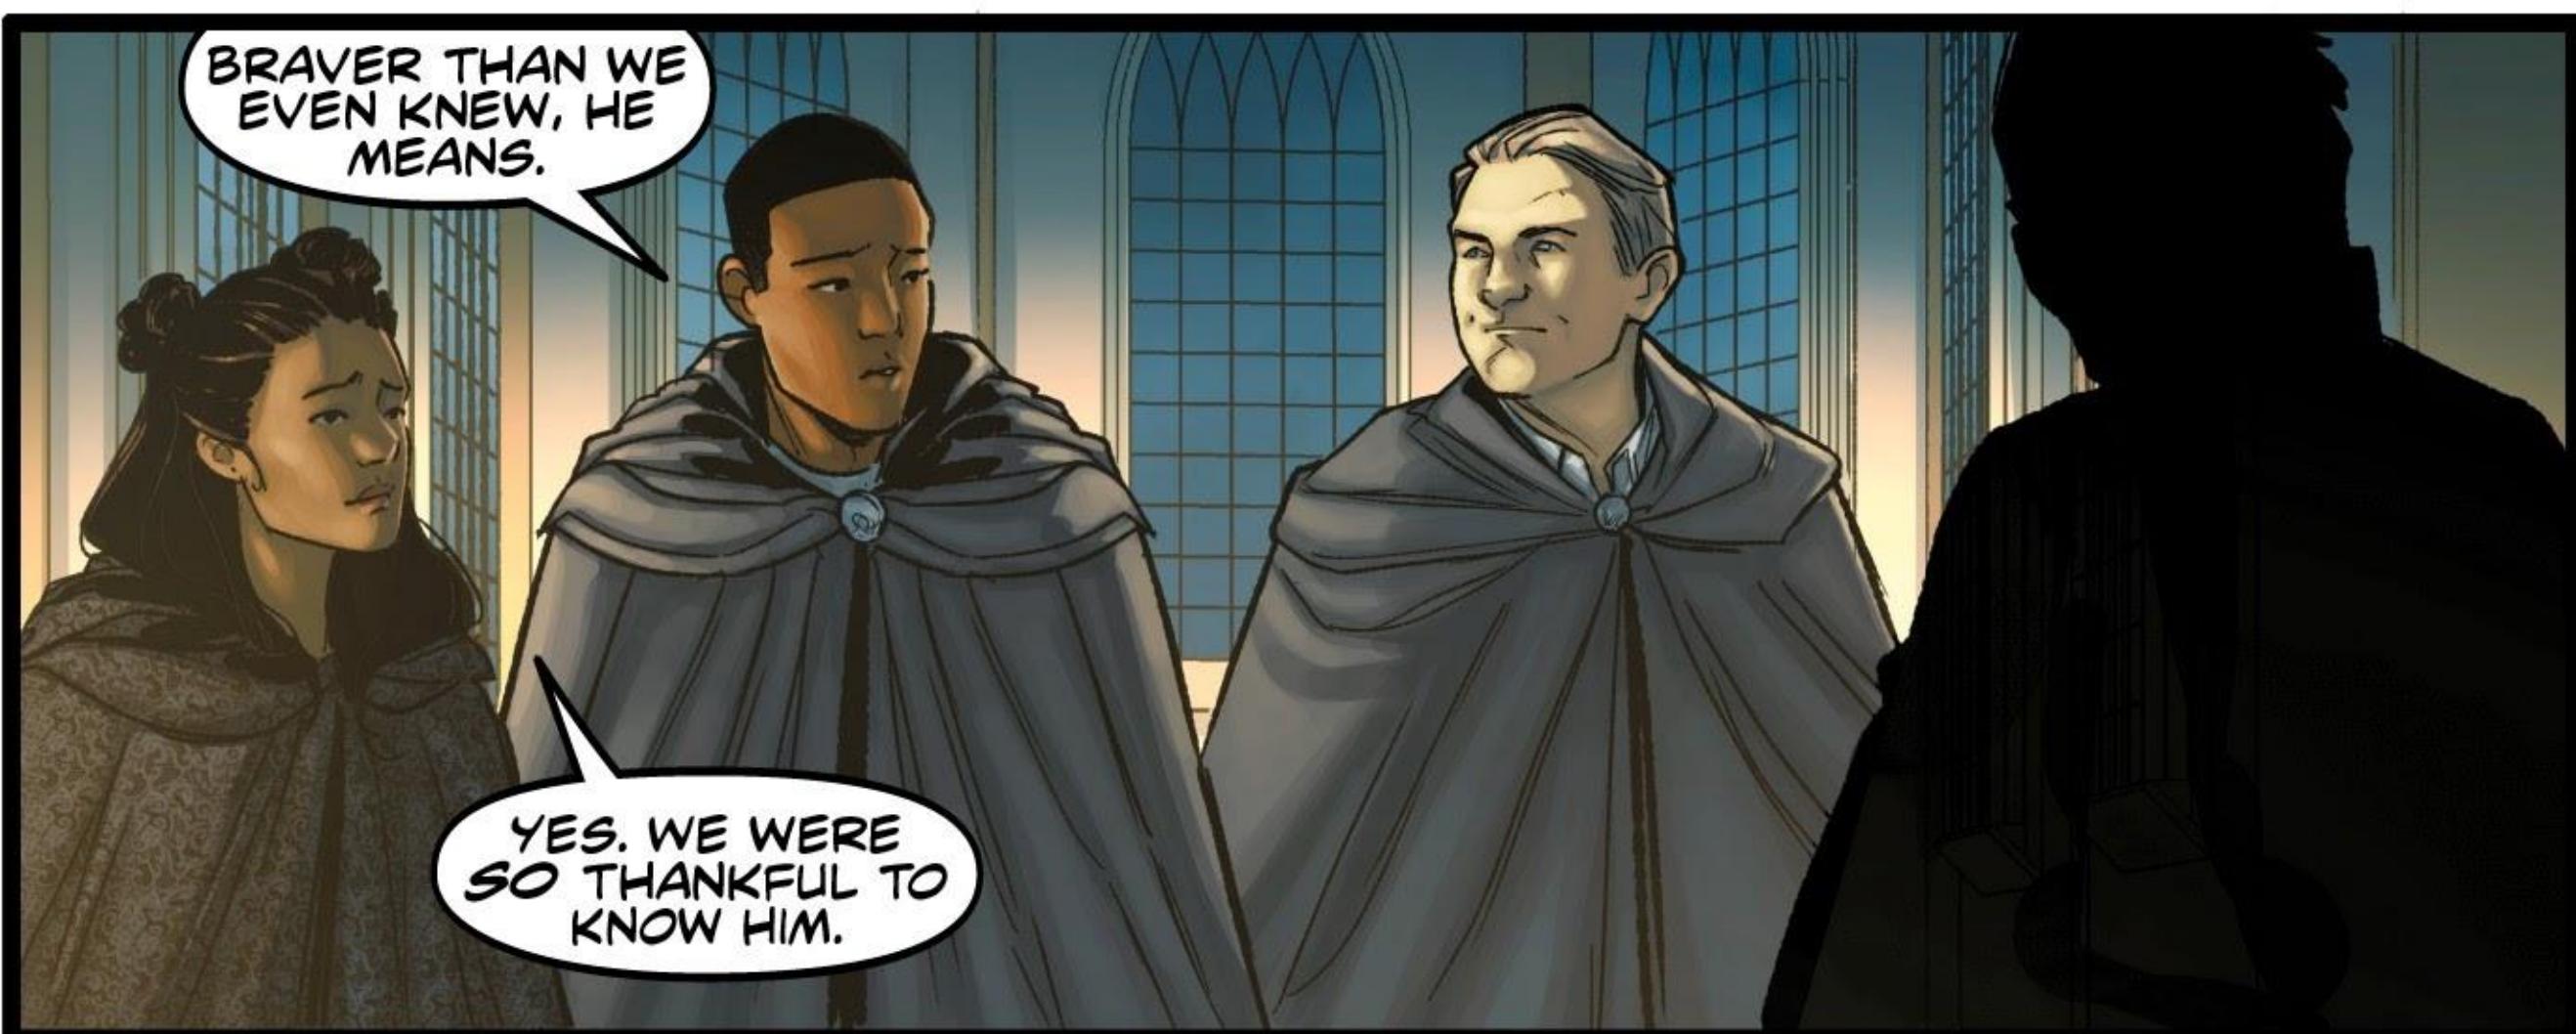

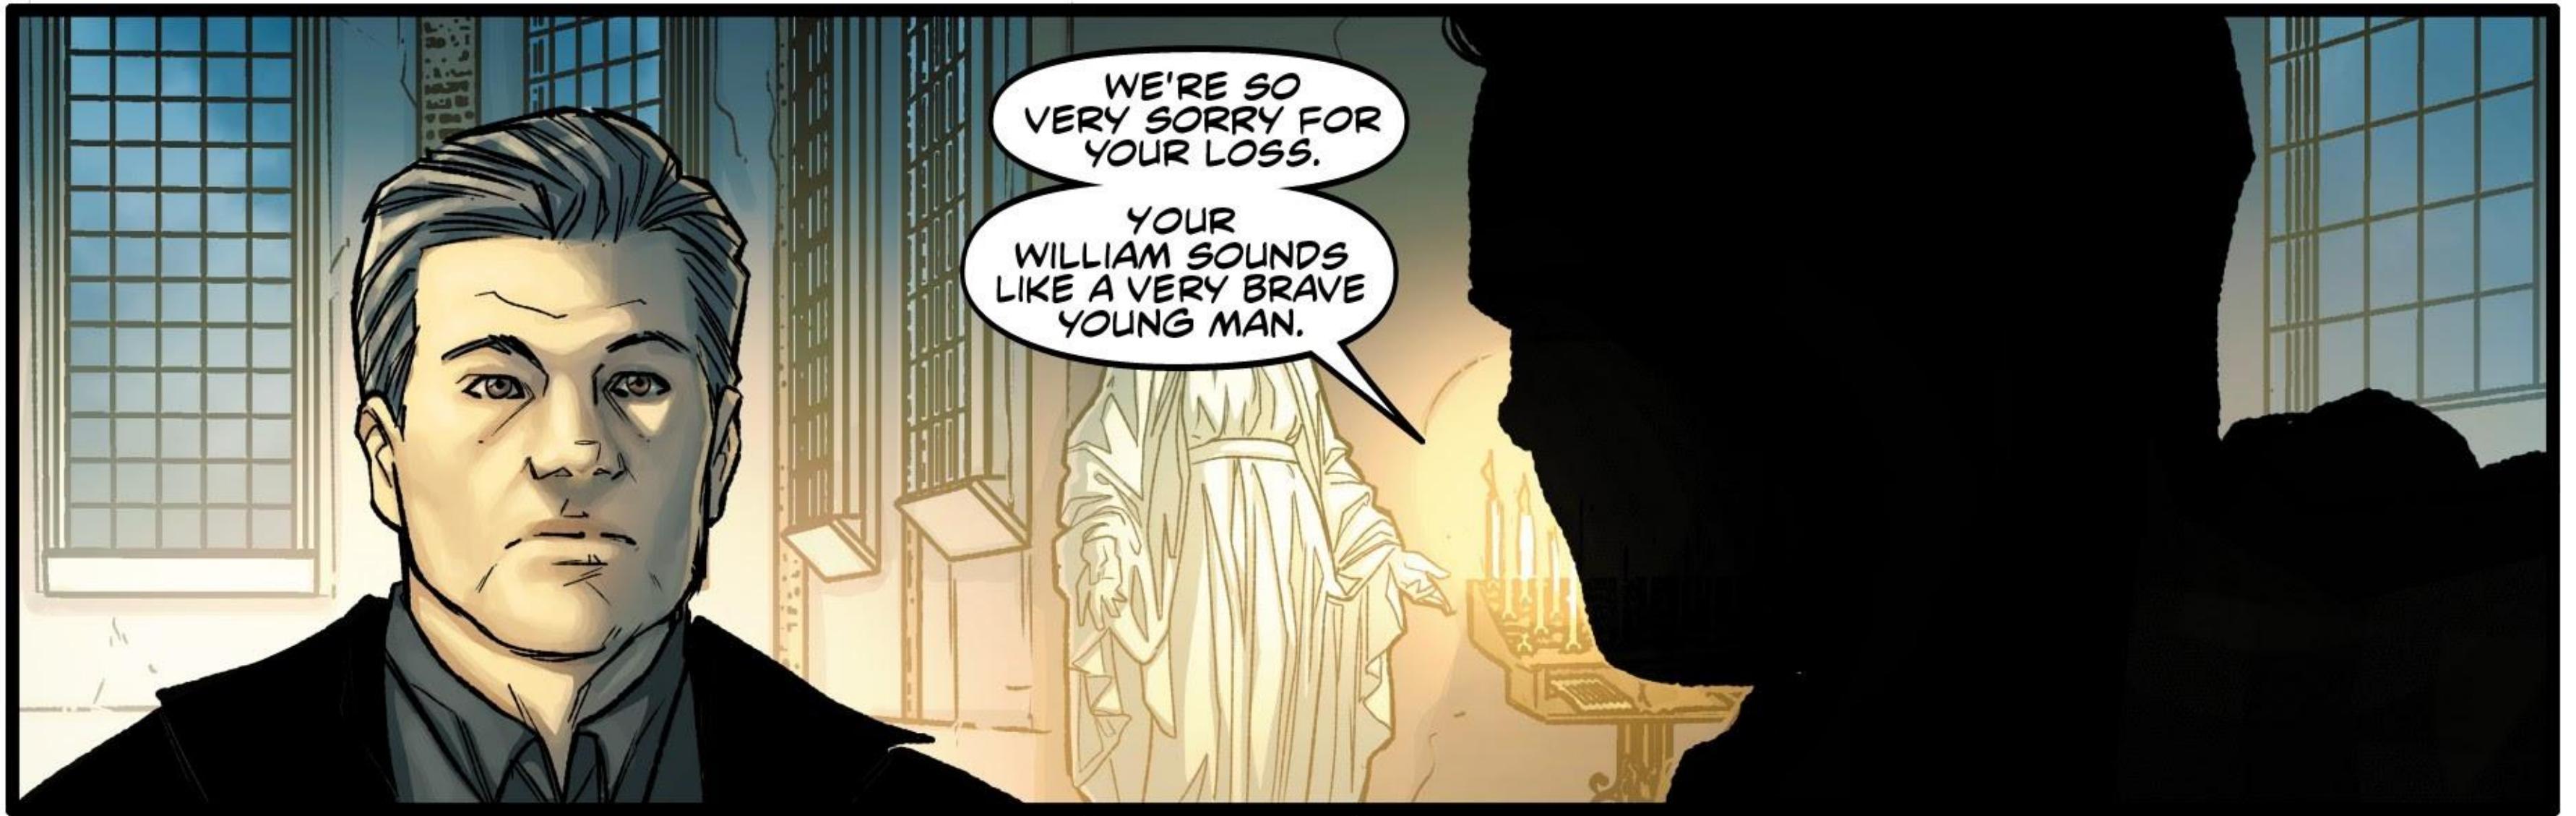

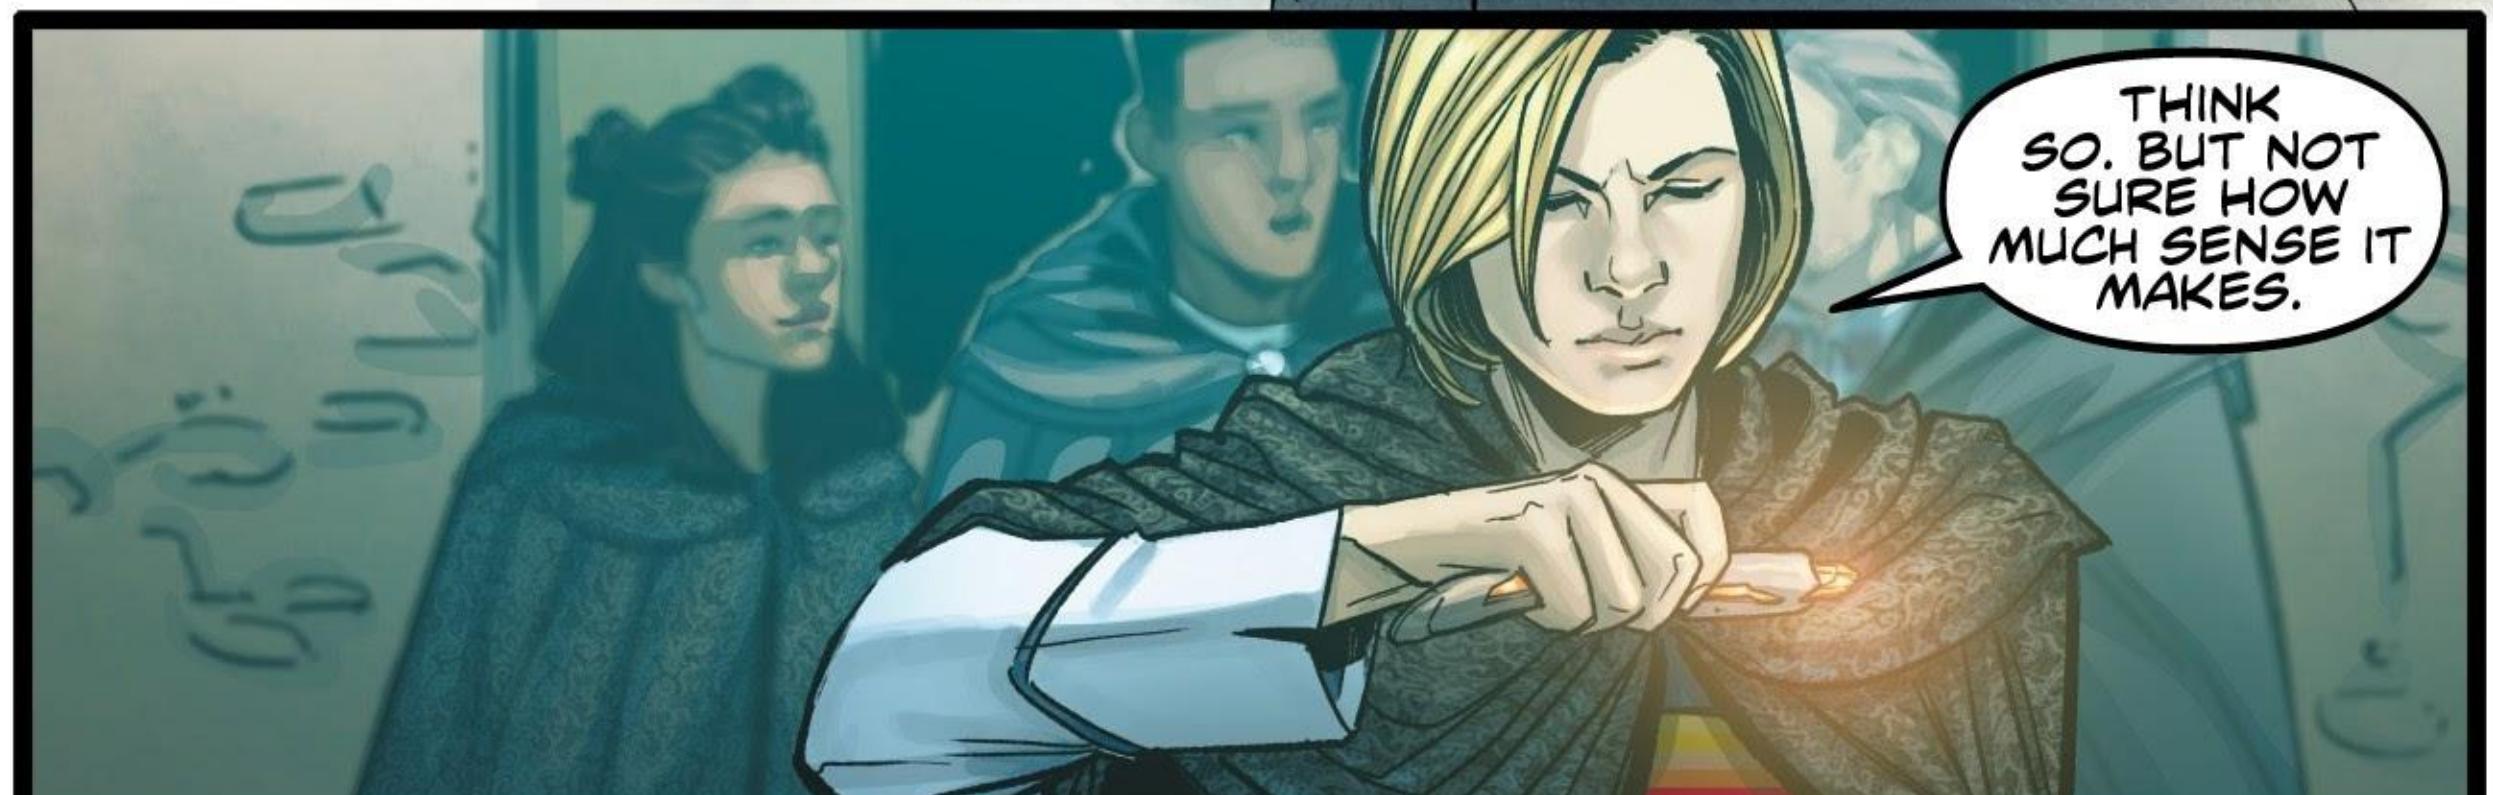

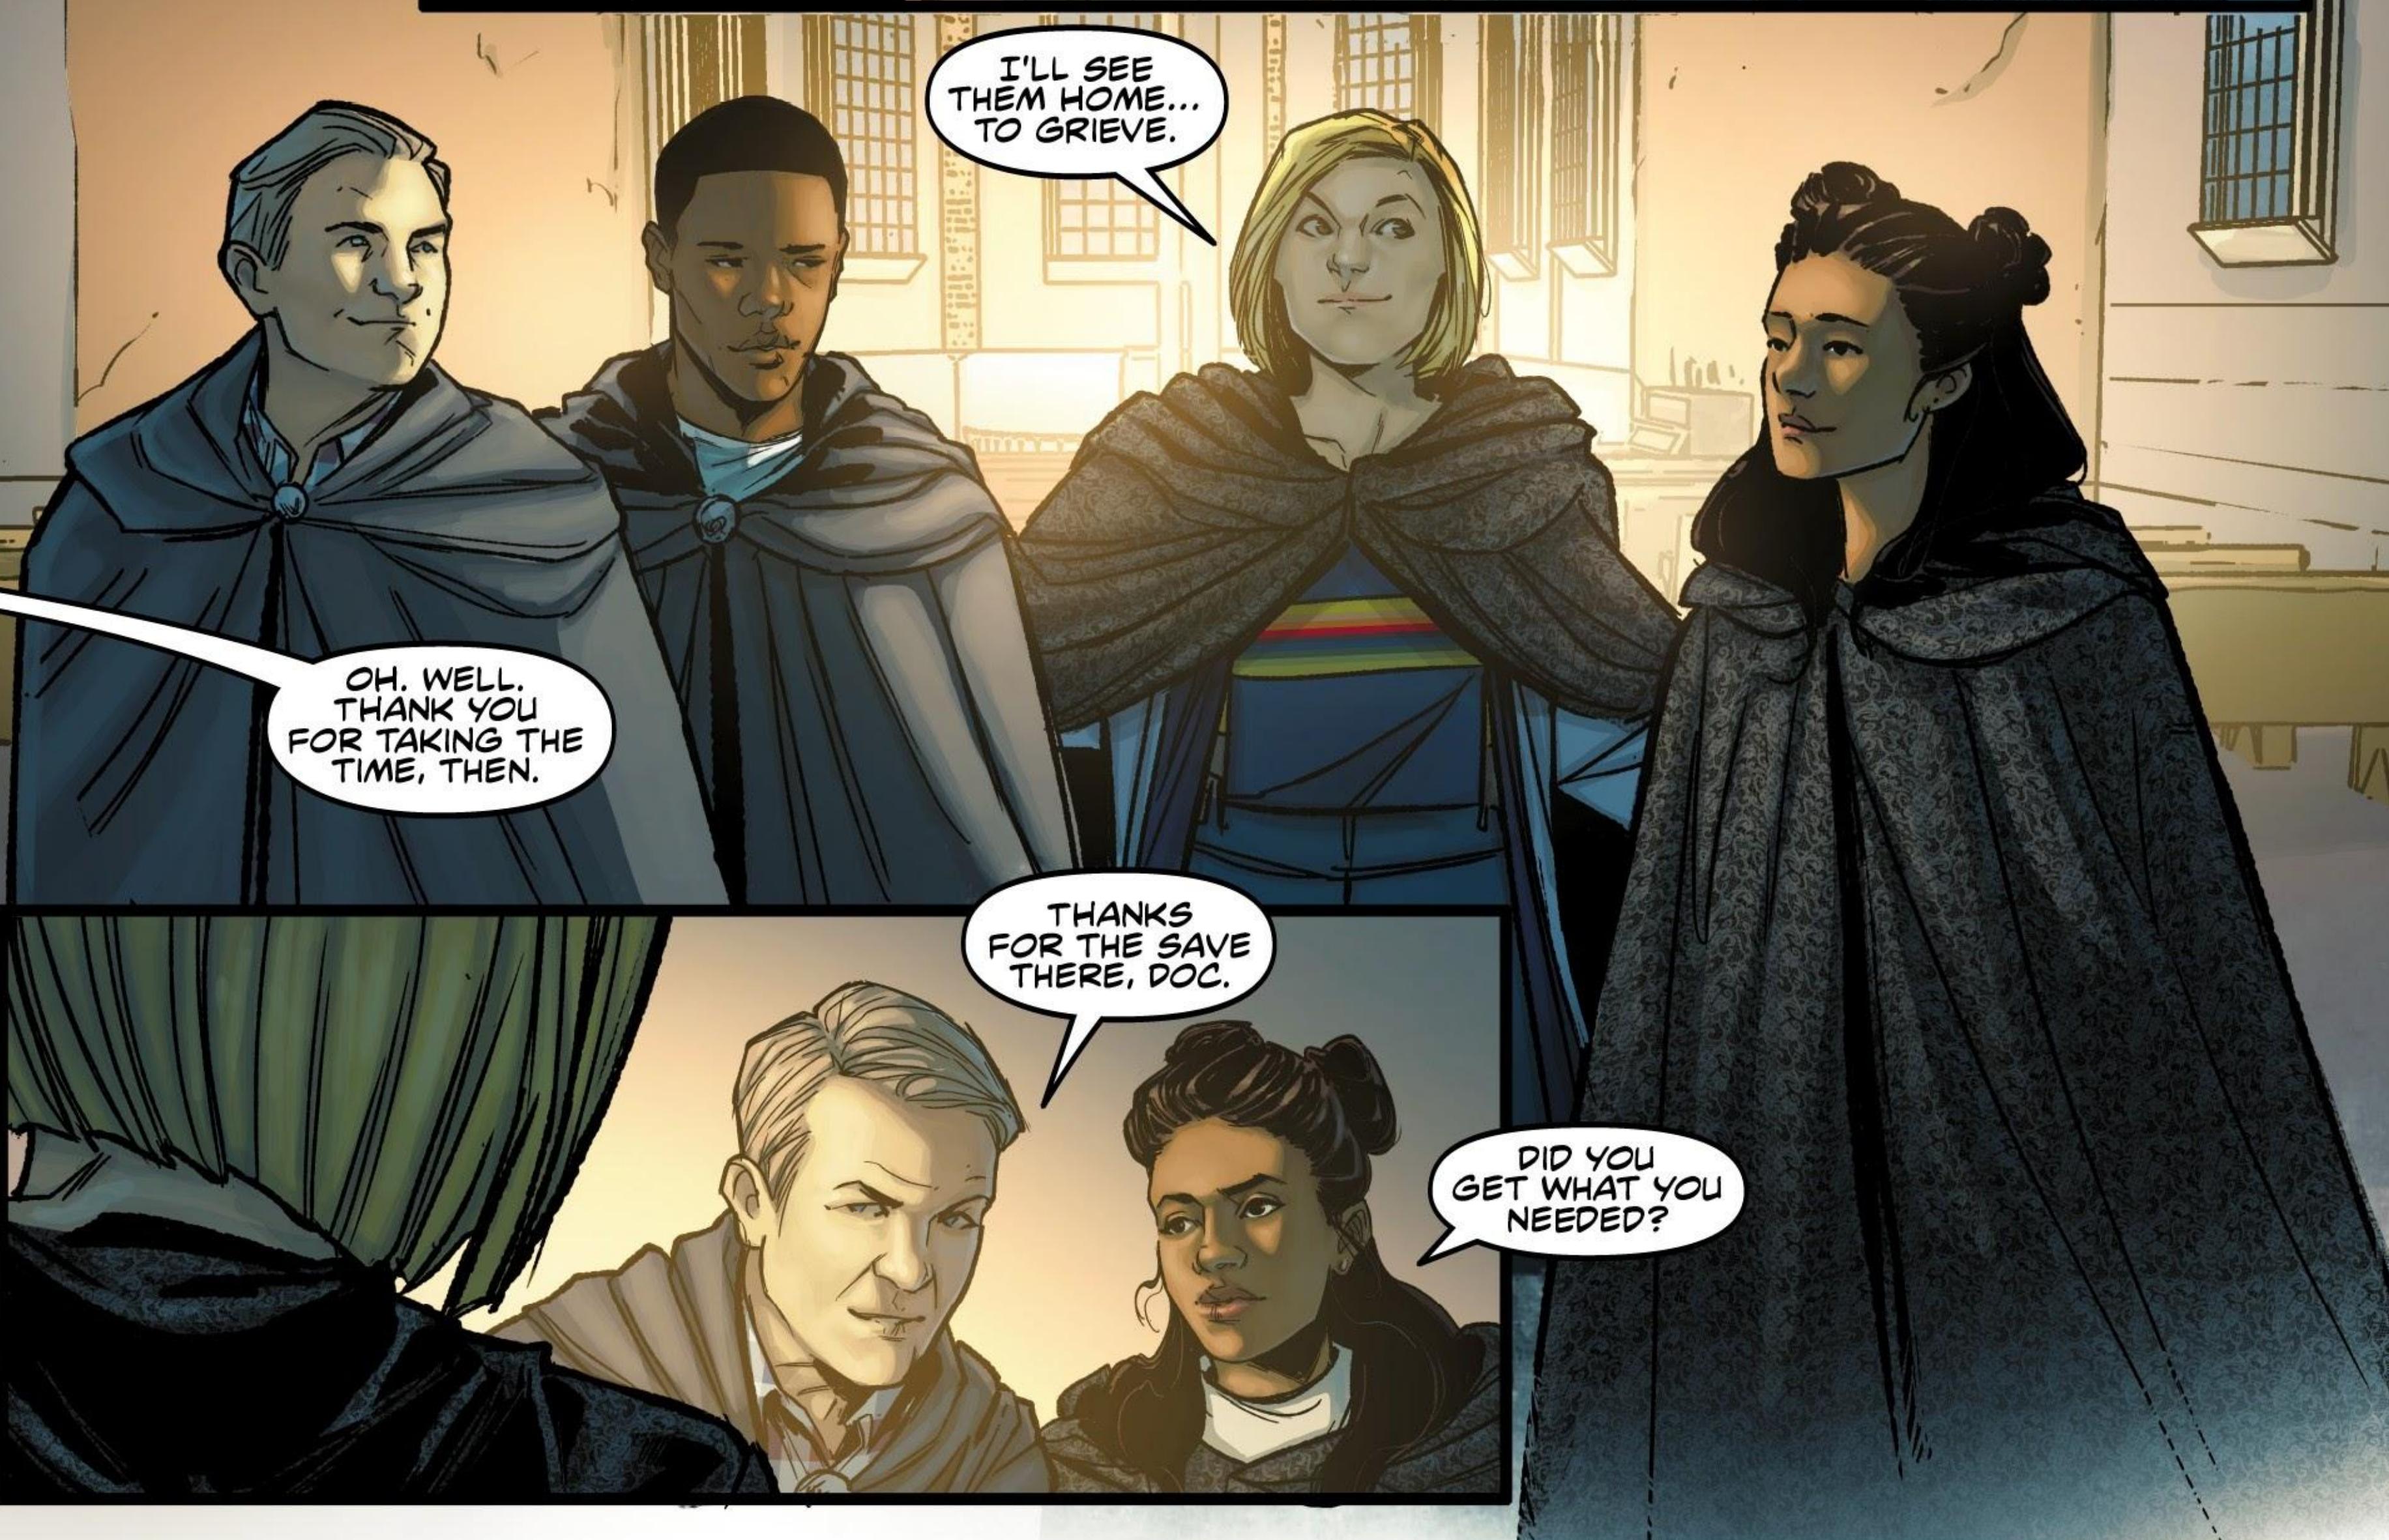

TO BE TAKEN BY FEVER SO SOON AFTER SEEMS A CRUEL JOKE.

HE STOOD WITH THE WELLAND FIELD BATTERY, AGAINST IMPOSSIBLE ODDS.

AND FOR THAT, HE WILL BE REMEMBERED.

ANY SIGNS OF THOSE STILEAN FLESH EATERS WE KEEP RUNNING INTO?

OH YES. BUT THAT'S NOT THE SURPRISING BIT.

ALL THREE OF THE FUNERALS WE WENT TO WERE VICTIMS OF THE STILEAN, IN A SENSE.

TNG

POLICE PUBLIC CALL BOX

BUT THAT WASN'T WHAT KILLED ANY OF THESE MEN.

INFECTION, ILLNESS... THEY ALL DIED OF NATURAL CAUSES.

IF YOU CONSIDER WAR NATURAL, I PREFER TO THINK OTHERWISE.

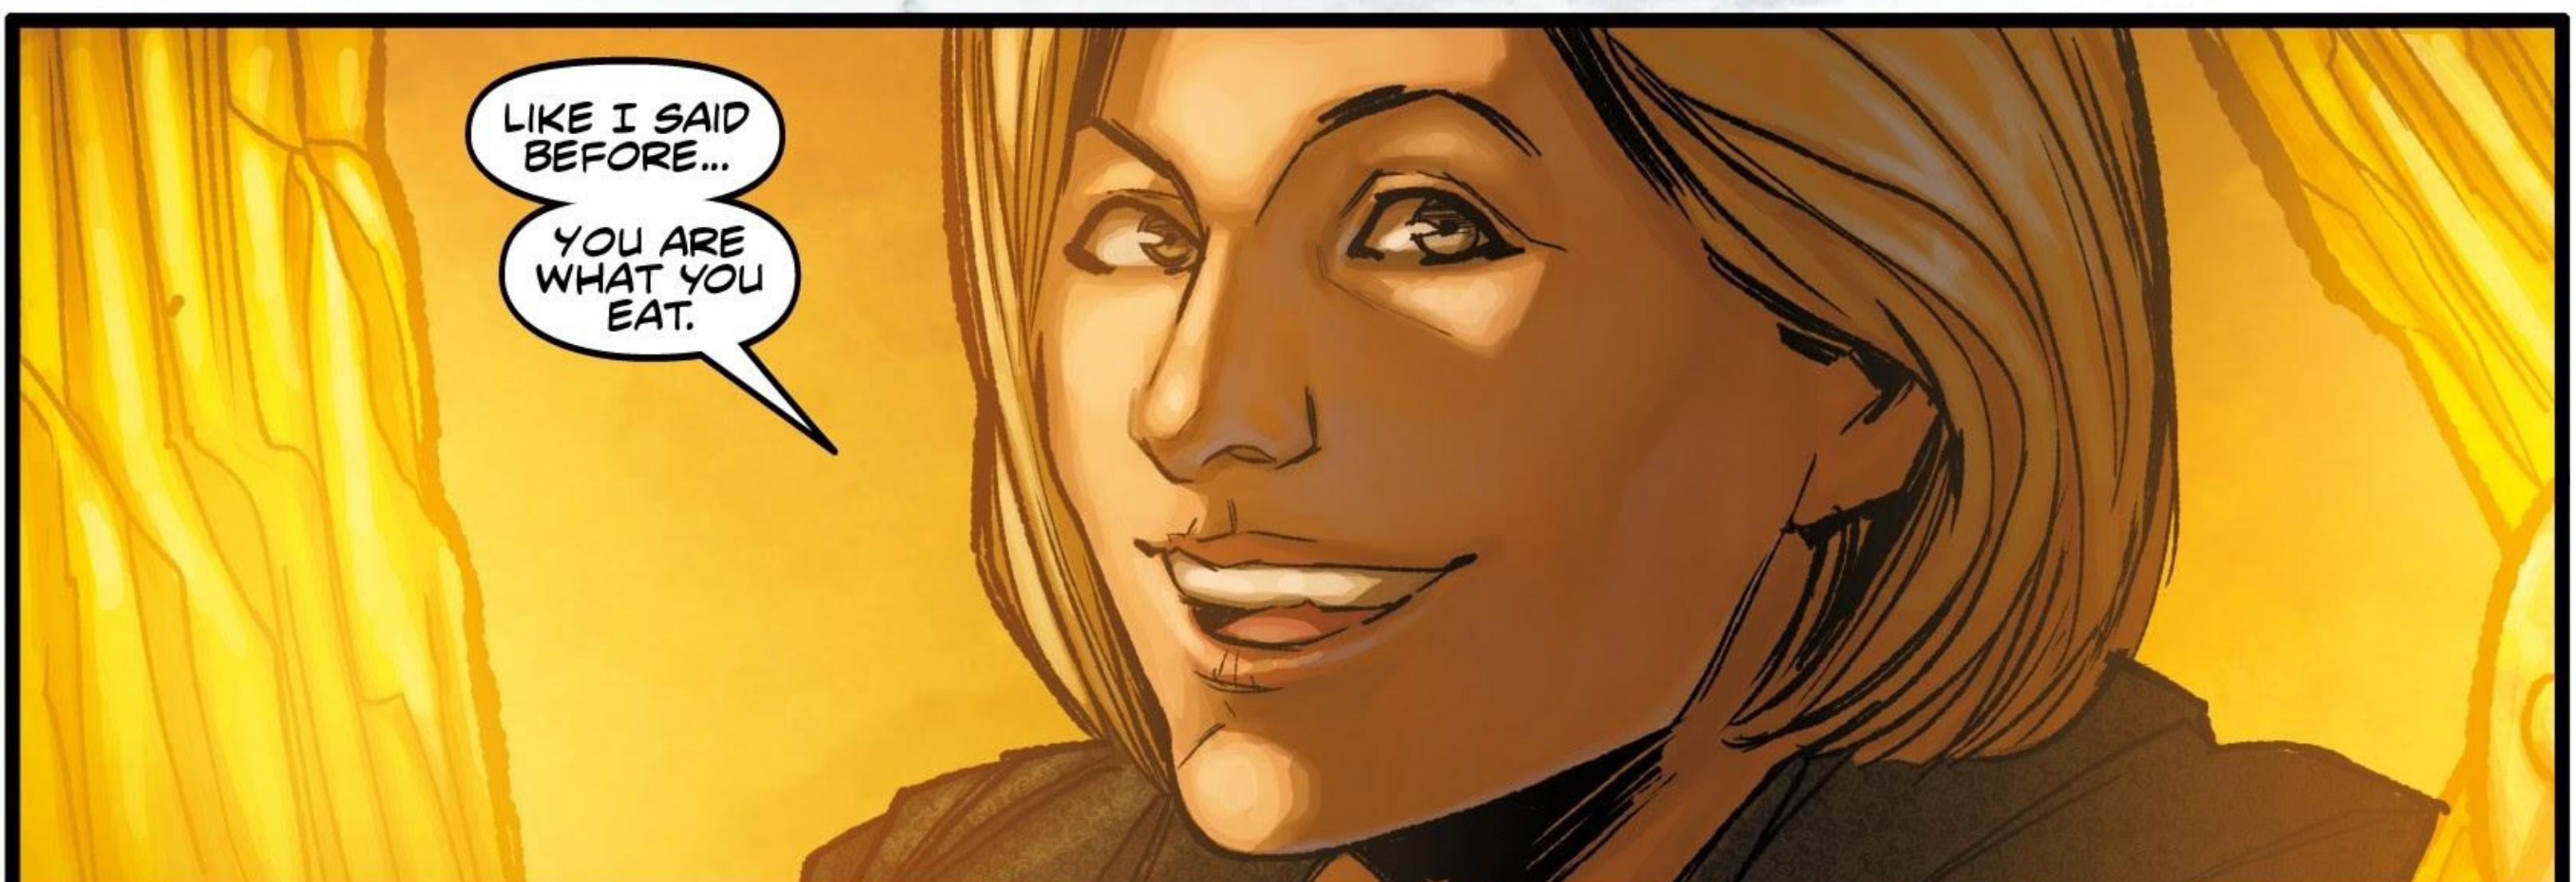

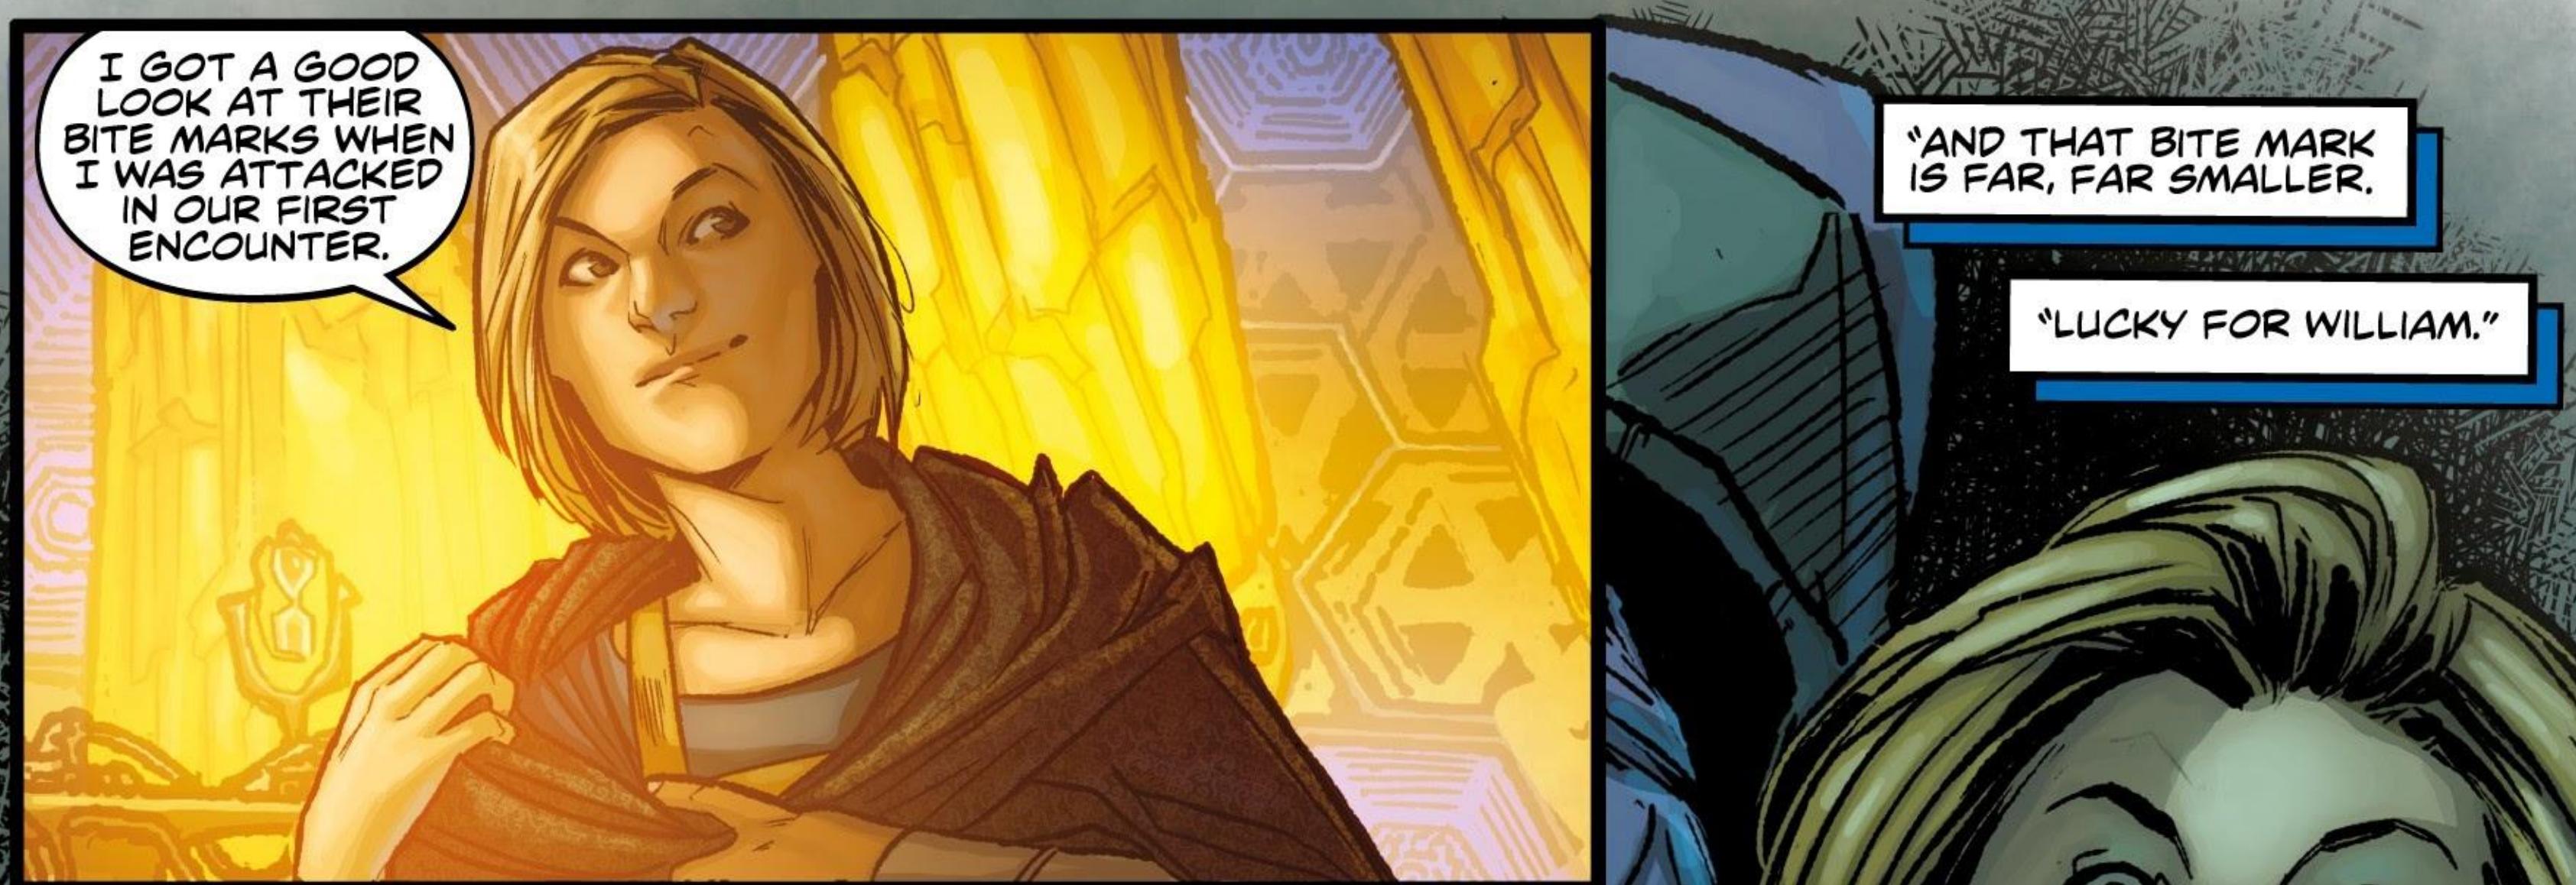

HEY, THIS ONE'S ON THE IRISH.

DIDN'T YOU CALL THEM "CARRION FEEDERS" WHEN WE FIRST RAN INTO THEM?

SO WOULDN'T THIS BE A GOOD THING?

BETTER THAN KILLING THEIR VICTIMS, OF COURSE.

BUT THAT'S NOT ALL THAT'S HAPPENED IN A CENTURY AND A HALF.

GIVEN ANOTHER
FEW CENTURIES OF
FEEDING, THE STILEAN
MIGHT EVEN BE ABLE
TO LIVE FULLY AMONG
HUMANS.

THAT IS
CREEPY.

NO,
THAT'S A
GOOD THING,
RIGHT?

IF THEY
DON'T HAVE TO
KILL OR HIDE...
THEY'D JUST BE
PEOPLE.

YOUR GREAT
GREAT GRANDCHILDREN
MIGHT HAVE A STILEAN
CLASSMATE OR TWO
IN SCHOOL.

I'D STILL
WATCH OUT
FOR THE BITING,
THOUGH.

BUT WE
STILL HAVE ONE
BIG QUESTION TO
ANSWER, DON'T
WE?

THE ONE
THAT WE'VE
BEEN ASKING,
BEEN TRACKING
FROM THE
BEGINNING,

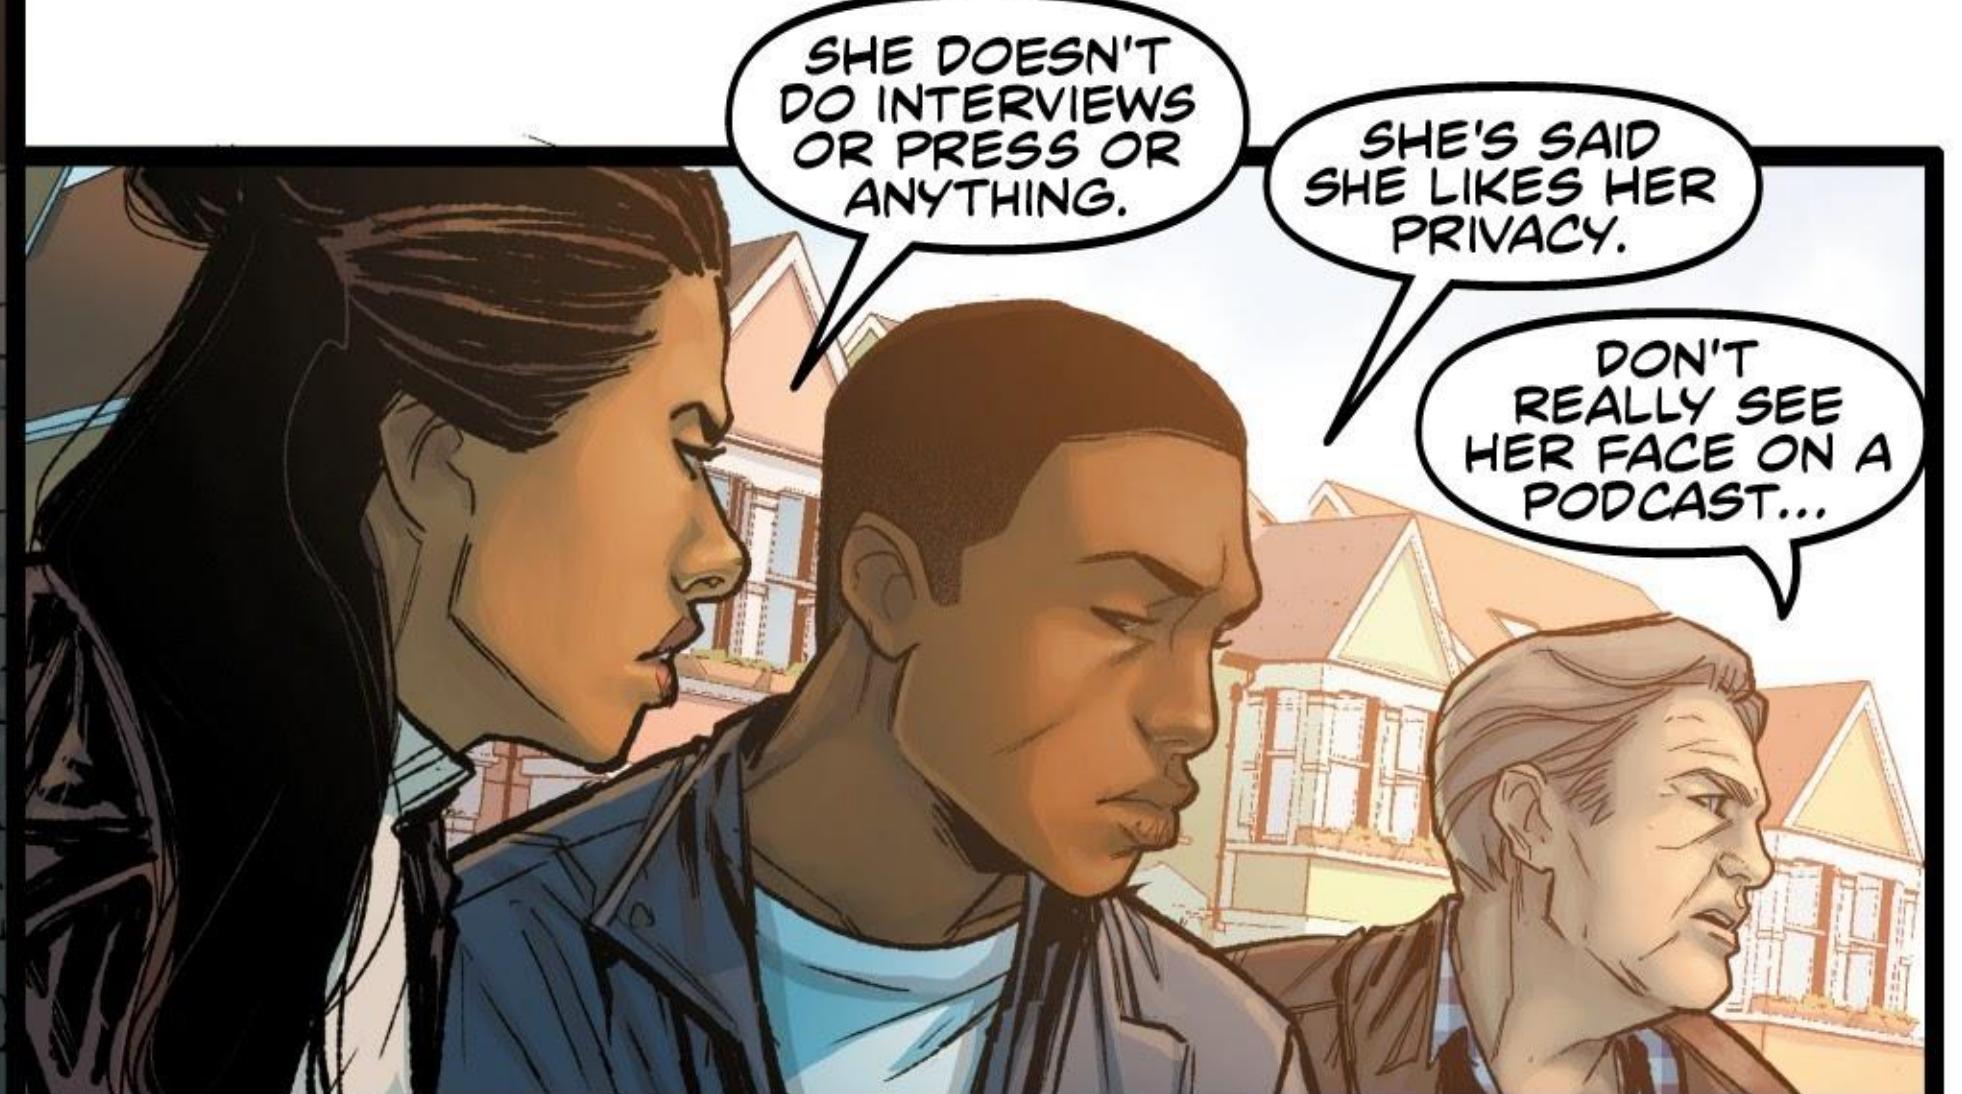

SLAMM
